

Project Owner:	Wayne-Westland Community School District
Project Name:	Classroom Multimedia Systems
Issue Date:	June 27, 2022

ADDENDUM NO. 1

*This Addendum No. 1 of the **Technology Request for Bid** for the above referenced project hereby amends, supplements and/or augments all prior issued document(s) as described herein, and becomes an inseparable part of the Contract Documents, superseding all previous, contrary and/or conflicting information.*

- AD1 - 1** Appendix B: Connection Line Diagram is hereby added and attached hereto.
- AD1 – 2** Section 27 41 16.2.07.A.2 is hereby added as follows:
2. Mobile stand shall be equipped with contractor supplied and permanently installed power cord reel for power cord storage. Cord reel shall be OmniMed Model 350722 or equal. Contractor shall supply power outlets, permanently mounted on cart, to accommodate all cart mounted equipment with one spare outlet for future use by Owner. All cords, cables and interconnections on the mobile stand shall be installed so as not to impede the full range of adjustability for the display.
- AD1 – 3** Section 27 41 16.2.08.A.1.a.1 is hereby revised as follows:
1. Model: 5-898-4-01-00 (VZ-R HDMI/USB Dual Mode Document Camera)
- AD1 – 4** Section 27 41 16.2.07.A.3 is hereby added as follows:
3. Mobile stand shall be equipped with contractor supplied and permanently installed keyboard storage pocket/tray. The purpose of this storage pocket/tray is to keep the keyboard associated and paired with the display on the cart, together (and the keyboard not becoming “lost”). Keyboard shall fit securely in/on the pocket/tray while the system is being moved, stored or is not in use.
- AD1 – 5** Section 27 41 16.2.09.C.1 is hereby added as follows:
1. Management system shall be current, supported and usable by Owner administrative across all installed devices for the entire

warranty period as defined herein as part of the base bid cost.
Management system may be cloud based and/or premise based and must provide all management functionality for a first class compliant enterprise system.

AD1 - 6 Section 27 41 16.2.09.D.1 is hereby revised as follows:

1. All necessary mounting brackets and connectors to securely mount at monitor location. Hardware mounting brackets shall be supported by either the monitor or the monitor mounting hardware. Contractor may not mount Wireless Presentation System components to wall surfaces or building/structure surfaces.
