# SECTION 00 11 16 INVITATION TO BID

### PART 1 - GENERAL

# 1.01 WORK INCLUDED: NEW ELEMENTARY TECHNOLOGY SYSTEMS

A. Clarkston Community Schools (Owner) is seeking bids for purchase and installation of new Elementary School Gym Multimedia systems and associated equipment and installation. Proposed systems shall be configured and installed as described herein.

B. Project: Elementary Gym AV Systems

C. Owner: Clarkston Community School

6389 Clarkston Road Clarkston, MI 48346

D. Designer: Communications by Design, Inc.

E. Sites of Work:

1. Andersonville Elementary School 10350 Andersonville Road Davisburg, MI 48350

- 2. Bailey Lake Elementary School 8051 Pine Knob Road Clarkston, MI 48348
- 3. Clarkston Elementary School 6589 Waldon Road Clarkston, MI 48346
- 4. Independent Elementary School 6850 Hubbard Road Clarkston, MI 48348
- North Sashabaw Elementary School 5290 Maybee Road Clarkston, MI 48346
- 6. Pine Knob Elementary 6020 Sashabaw Road Clarkston, MI 48346
- 7. Springfield Plains Elementary 8650 Holcomb Road

### Clarkston, MI 48348

# 1.02 GENERAL DESCRIPTION OF PROJECT SEQUENCE

- A. Sequences and dates specified herein are for information only and indicate the plan and intent of the Owner. Actual dates shall be established based on final award of project.
- B. Sequence of operations shall be established by the Contractor within the guidelines established by the Owner as required to meet schedules.

# C. Schedule:

- 1. Request for Bid Distributed: December 28, 2023
- 2. Pre-Bid Meeting: January 16, 2024 at 4:00pm
- 3. Intent to Bids Due: January 19, 2024 at 5:00 PM
- 4. Question and Clarification Deadline: January 19, 2024 at 5:00 PM
- 5. Public Bids Due: February 01, 2024 at 10:00am

#### 1.03 TYPES OF BIDS

A. Bids shall be submitted in total and with required detail for each item bid and as is required herein and include all portions of the work identified for the individual bid package as specified herein. Bids shall be made on unaltered bid forms as included herein. Bidder shall fill in all blank spaces and the bid shall be signed by a legal officer or agent authorized to bind the bidder to a contract.

#### 1.04 PRE-BID CONFERENCE

- A. A pre-bid conference will be held. A discussion of the project and review of bid documents will be followed by a site review and an opportunity to ask questions. Attendance is <u>highly encouraged</u> for all contractors interested in bidding on any components or portions of this project. Attendance at the pre-bid conference will be a factor considered during evaluation of bids.
- B. Time: 4:00pm on January 16, 2024
- C. Location: Clarkston Elementary School 6389 Clarkston Road Clarkston, MI 48346
- D. Any drawings identified in the table of contents herein will be distributed and reviewed at this conference.
- E. Physical building inspections of sites of work will be provided for at this time.

# 1.05 TIME AND PLACE OF BID RECEPTION INVITATION TO BID 00 11 16 - 5

A. Physically sealed bids for the base bid work will be received at the district office and read aloud at a public opening. Bids arriving after the appointed time as determined by the Owner's representative conducting the public opening, shall be returned unopened. Bids will be accepted beginning fortyeight (48) hours prior to the appointed opening time provided they are in sealed packages and addressed as specified herein.

B. Bid Receipt Deadline: February 1, 2024 at 10:00am

C. Bid Opening Location: Clarkston Community Schools – Board Office

6389 Clarkston Road Clarkston, MI 48346

D. Faxed or electronically delivered bids will not be accepted.

# 1.06 EXAMINATION AND PROCUREMENT OF DOCUMENTS

- A. Specifications and any relevant Drawings may be obtained from the Technology Designer. Contractors may obtain copies by documented request to Communications by Design, Attn: Rebecca Szilagy. Requests may be made by:
  - 1. Writing 4101 Sparks Drive Grand Rapids, Michigan 49546
  - 2. Email rszilagy@cbdconsulting.com

#### 1.07 BID SECURITY

- A. Bid security equal to five percent (5%) of the total bid amount, must accompany each base bid in accordance with the Instruction to Bidders.
- B. Bid security shall be either a Bid Bond issued by a company licensed in the State of Michigan to furnish bid security or Certified Check made payable to the Owner.

## 1.08 OWNER'S RIGHT TO REJECT BIDS

- A. The Owner reserves the right to reject any and/or all bids. The Owner reserves the right to accept a bid, or portion thereof by issuance of a valid purchase order within ninety (90) calendar days following the bid opening. No bids may be withdrawn during this time without the specific approval of the Owner.
- B. Withdrawal of any Bids after the opening time without specific approval by Owner may result in forfeiture of required bid security by Bidder.

### 1.09 DEFINITIONS

A. "Owner" is intended to mean Clarkston Community Schools, a general powers school district.

- B. For purposes of this project, the terms "Architect", "Engineer" and "Designer" are used synonymously to refer to Communications by Design, Inc., a Michigan Corporation.
- C. The term "Bidder" refers to any organization properly and accurately submitting a complete "Intent to Bid Form" prior to the required time specified herein and subsequently properly submitting completed set of bid documents as specified herein.
- D. The term "Contractor" herein is a reference to the firm(s) eventually selected by the Owner to provide the intended system(s), or any portion thereof, and fulfill the terms of the contract.
- E. The term Contract is a reference to the collective set of documents, drawings, diagrams, Owner's Purchase Order, Addenda, and all other materials as provided for herein defining arrangement between Owner and Contractor.
- F. The term Addenda (or Addendum) are that portion of the Contract consisting of modifications, amendments, deletions, or substitutions to the contract documents issued prior to the execution of the Contract.

END OF SECTION

# SECTION 00 40 00 BID FORMS

# **Intent to Bid Form**

Complete and submit the following form if you have interest or intend to submit a Bid for this project. Unaltered and completed forms must be received on or before 5:00 PM on January 19, 2024. Only bidders returning a completed "Intent to Bid Form" will be notified of required addenda.

# END OF SECTION

# SECTION 00 21 13 INSTRUCTIONS TO BIDDERS

# PART 1 - GENERAL

#### 1.01 OWNERSHIP

A. Bidders prepare and provide bids without any cost to the Owner and/or Designer. Once opened, bids become the sole property of the Owner. Bidders have no claim to, or ownership of bids opened. Bids become subject to all legal statutes including, if applicable, United States and Michigan Freedom of Information Acts and related laws.

### 1.02 COMPLIANCE

- A. This document establishes the primary system(s) design configuration. The Bidder's bid response shall include all services, supplies, components, and equipment required to provide a complete turnkey system(s) which meets or exceeds all specifications for each given bid item being proposed.
- B. Owner prefers to enter into a contract with a single bidder for all materials for completion of this project but shall consider combinations of portions of bids from various bidders. The Owner reserves the right to award portions of the project to multiple bidders who will be required to cooperate with one another in order to complete the work.
- C. By their response, Bidders agree to comply with all sections, terms, conditions and/or requirements of the contract documents except as expressly noted, and specifically identified by paragraph number on the unaltered Contract Exceptions Bid Form. Exceptions to any bid sections, terms, conditions and/or requirements deemed excessive by the Owner and/or Bid Coordinator may disqualify Bid.
- D. In compliance with the Freedom of Information Act (FOIA), the Owner shall make bid documents available for public review after issuance of purchase order to the successful bidder/s.
- E. In connection with the execution of this Contract, Contractor and any Subcontractors shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, or national origin.
- F. Negligence in preparation, improper preparation, errors in, or omissions from Bids shall not relieve Bidder from fulfillment of any and all obligations and requirements of the Contract Documents.

- G. All Bid documents and worksheets must be completed in detail and submitted together on time.
- H. All documents constituting the entire present agreement shall be construed in accordance with and governed by the laws of the State of Michigan.
- I. Designer shall have authority for interpretation of Contract Documents. In the event terms, provisions or any other portion of the Contract Documents is/are in dispute, Designer shall have full and final authority to interpret the Contract Documents, and such interpretation shall be final and binding.
- J. In the event of a conflict between any terms or conditions in any of the documents comprising the entire present Agreement, the terms and conditions set forth in this document shall take precedence.

### 1.03 NOTICE AND RESPONSE

- A. Upon notification of Bidder being considered as a finalist, the Bidder shall provide to the Owner and Designer, within 48 hours, a current "Dunn and Bradstreet Supplier Evaluation Report" and other documentation as may be required of finalists herein and as requested by Owner and/or Bid Coordinator.
- B. Bidder shall provide timely response to all requests from Designer and/or Owner regarding clarification and/or elaboration concerning, but not limited to its Bid as may be deemed relevant by the Owner and/or Designer.

#### 1.04 PROTECTION AND SAFETY

- A. Contractor shall continuously maintain adequate protection of all Work from damage and shall protect the Owner's property from injury or loss arising in connection with the execution of the Contract. Contractor shall make good any such damage, injury or loss, except such as may be directly caused by agents or employees of the Owner. The Contractor shall adequately protect adjacent property as required by law, by the Contract Documents, or as otherwise required, to cause no damage to them during the execution of the Contract. This requirement shall also apply to structures above and below ground as conditions of the site require.
- B. Contractor shall be solely responsible for, and have control over means, methods, techniques, sequences, and procedures for initiating, maintaining, and supervising all safety precautions and programs in connection with the performance of the contract. Contractor shall take all necessary precautions for the safety of employees and visitors on the site of the Project and shall comply with applicable provisions of federal, state, and municipal safety laws and building codes to prevent accidents or injury to persons on, about, or adjacent to the premises where the Work is being performed. Contractor shall erect and properly maintain at all times, as required by the conditions and

- progress of the Work, all necessary safeguards for the protection of workers and the community.
- C. Contractor shall vigorously defend any and all suits that may be brought against the Owner by any person and/or entity, whether in the employ of the Contractor or not, for damage to property, and/or injury or death to persons alleged or claimed to have been caused by or through the performance of work.

# 1.05 DRAWINGS DIAGRAMS AND ILLUSTRATIONS

- A. Drawings, Diagrams, and Illustrations are diagrammatic in nature and indicate general arrangement and nature of systems and work included.
- B. Floor plan drawings are provided to assist the contractor in preparing documentation and reports as required herein.

### PART 2 - MATERIALS

# 2.01 VOLUNTARY ALTERNATES AND SUBSTITUTION OF SPECIFIED PRODUCTS

- A. This Request for Bid describes a particular implementation. All Bids must provide pricing on the "base bid" as described herein. Voluntary alternatives providing comparable functionality with significant cost reduction and/or performance enhancement may be proposed. Voluntary alternatives are encouraged but must be identified as "Voluntary Alternates" and detailed on unaltered Bid Forms contained herein. Voluntary Alternates may be further detailed and/or explained in attachments to the unaltered Bid Forms contained herein. Exceptions to the Request for Bid specifications must be clearly noted and explained for each Voluntary Alternate proposed.
- B. No substitutions of specified products may be made without specific prior authorization by Designer and Owner. Individual bid divisions herein contain particular information related to acceptable manufacturer and product requirements.
- C. Trade-in, equipment/license exchanges or other return allowances may be provided as a voluntary alternate. Trade-in, exchange, or other return equipment allowances shall <u>not</u> be included in base bid amount.

# PART 3 - EXECUTION

# 3.01 EXAMINATION OF DOCUMENTS AND SITE

A. Bidders shall carefully examine the Contract Documents and the construction site to obtain first-hand knowledge of existing conditions and requirements. No plea of ignorance of conditions that exist, or any other relevant matter

concerning work to be performed in the execution of work will be accepted as justification for failure to fulfill every detail of all requirements as described herein.

# 3.02 QUESTIONS, INTERPRETATIONS, AND ADDENDA

- A. Any bidder finding discrepancies between Drawings, Specifications, and/or Bid Documents, or be in doubt as to the exact meaning of any provision or detail shall notify the Designer at once, and before the deadline for Questions and Clarifications. The Designer may then, at their option, issue Addenda clarifying same. The Designer is not responsible for oral instructions, or Bidder's/Contractor's misinterpretations of Drawings, Specifications, and/or Bid Documents.
- B. The Designer reserves the right to issue Addenda at any time up to thirty-six (36) hours prior to the scheduled bid opening. All such addenda shall become, upon issuance, an inseparable part of the Specification/Contract Documents. Each bidder shall incorporate within their bid all costs for items listed in any/all Addenda and shall acknowledge receipt and identifying number of each Addendum on the Bid Form and on the outside of the sealed bid container.
- C. Addenda will be forwarded to each bidder who has received a copy of the Bidding Documents and has submitted "Intent to Bid Form".

### 3.03 BID SECURITY, BONDS, AND INSURANCE

- A. Bid Security, Performance and Payment Bonds are required on this project.
  - 1. Bid security equal to five percent (5%) of the bid amount must accompany each bid in accordance with the Instruction to Bidders.
    - a. Bid security shall be either a Bid Bond issued by a company licensed in the State of Michigan to furnish bid security or Certified Check made payable to the Owner.
- B. The selected Contractor will be required to provide a performance bond and a payment bond each in an amount equal to one hundred percent (100%) of the bid amount including any accepted alternates at the Owner's discretion.
  - 1. The surety of the performance bond shall remain in effect until all acceptances and final contract close-out requirements herein have been executed by the Owner.
- C. Contractor shall provide, prior to beginning any work at the sites, certificate of insurance for delivery to Owner indicating all required insurance coverage is in force.

- 1. Workers' Compensation and Employer's Liability Insurance
  - a. Coverage A Statutory
  - b. Coverage B \$1,000,000 Per Accident
- 2. Broad Form Comprehensive General Liability Insurance (including Premises, Elevators, Contractor's Protective Liability, Contractual, Products & Completed Operations including Broad Form Extensions).
  - a. Each Occurrence \$1,000,000
  - b. General Aggregate \$2,000,000
  - c. Products & Completed Operation Aggregate \$2,000,000
  - d. Personal Injury & Advertising Injury \$1,000,000
  - e. Fire Legal \$100,000
- 3. Sub-contractors Operations, Products Completed Operations and Contractual Liabilities, plus such excess coverage as may be appropriate for the limits listed.
- 4. Comprehensive Automobile Liability Insurance (owned, hired, and non-owned automobiles).
  - a. Bodily \$1,000,000 each Person and \$1,000,000 each Occurrence
  - b. Property Damage \$1,000,000
- 5. Furnish Owner with Contingent Liability Insurance Policy with coverage and liability limits the same as for Public Liability Insurance specified herein. Designate on policy as assured, only the Owner.
- 6. Furnish Owner with Contingent Property Damage Insurance Policy with coverage and liability limits the same as for Property Damage specified herein. Designate on policy as assured, only the Owner.
- 7. Policies shall include notification clause requiring ninety (90) days written notice to Owner in the event of policy cancellation, expiration, non-renewal, coverage reduction or other material change.
- 8. Contractor shall not commence work under the Contract until after all insurance required herein has been obtained and certificates for such are approved by Owner.
- D. All such bonds and/or insurance shall be issued by surety licensed by the State of Michigan and acceptable to the Owner.

- 1. Insurance certificate(s) shall be signed by insurance agent licensed in the state of Michigan or a representative of the insurance company.
- E. Contractor agrees to indemnify and hold harmless the Owner and Designer, including their agents and employees, from and against all claims, damages, losses and expenses, including, but not limited to, attorney fees arising out of, or resulting from the performance of the work to the fullest extent allowed by law on a comparison basis of fault.

#### 3.04 MODIFICATION AND WITHDRAWL

- A. Bids may be withdrawn and/or changed any time prior to the deadline for submission of bids. Bids may not be withdrawn or changed thereafter and shall be deemed a form offer continuing for ninety (90) calendar days. Bids receive after the deadline for submission will be returned unopened at the Owner's discretion.
- B. Withdrawal of any Bid after the opening time without specific approval by Owner may result in forfeiture of required bid security by Bidder.

# 3.05 CODES, ORDINANCES, REGULATIONS AND RELATED

- A. All labor and materials shall be furnished and installed in strict accordance with the latest applicable codes, ordinances and regulations of any governing body having jurisdiction over this project.
- B. In the event the quality of labor and materials required by the Drawings and Specifications herein exceeds requirements of current applicable codes, ordinances and regulations, the Drawings and Specifications shall take precedence.
- C. In the event the quality of labor and materials required by current applicable codes, ordinances and regulations having jurisdiction over this project exceeds that of the Drawings and Specifications herein, the applicable codes, ordinances and regulations shall take precedence.
- D. The Contractor shall give all notices and comply with all codes, laws, ordinances, rules, and regulations of any authority having jurisdiction, which bears on the performance of its work. This compliance includes, but is not limited to, the Michigan School Safety Initiative (PA129, PA130, PA131 and PA138) if applicable to work being performed.
- E. The Contractor shall pay for all licenses, permits, taxes, and fees required for this project; and shall comply with all federal, state, local and Owner's codes, laws, ordinances, regulations and other requirements applicable to the work specified at no additional cost to the Owner. Contractor shall submit copies of all approved certificates and approvals to the Owner upon receipt.

#### 3.06 SUB-CONTRACTOR AND MATERIAL SUPPLIER

- A. The successful Bidder shall submit to the Owner and Designer a complete list of all sub-contractors and all material suppliers proposed to engage on the work. Sub-contracts shall not be awarded until after they have been approved by the Designer and Owner.
- B. Finalist bidders may be required to submit additional details related to subcontractors and suppliers within forty-eight (48) hours after the bid opening.
- C. Names of any principal sub-contractors must be listed on the Bid Form.
- D. All contracts made by the successful Bidder with Subcontractors shall be covered by the terms and conditions herein. The successful Bidder shall see to it that Subcontractors are fully informed in regard to these terms and conditions and shall bind all subcontractors to the same terms and conditions. Failure to do so will absolve the Owner from any liability for additional cost due to subcontractor claims for additional cost, time, or any claim(s) for additional cost by subcontractor(s).

#### 3.07 BID RESPONSE FORMAT

- A. Bidder shall provide complete Bid copies in two formats as described herein.
  - 1. One (1) Hard copy format responses shall be in a bound tabulated format. Each response shall have tab indicators for each section.
  - 2. One (1) Electronic copy format responses shall be submitted on a USB Drive, readable by a standard Microsoft Windows 11 workstation. Electronic media shall contain separate folders to organize response documentation as described herein. Files submitted electronically shall be Adobe Acrobat "PDF" format (SCHEDULE OF VALUES is additionally required to be on the disk in the appropriate folder as a Microsoft Excel compatible spreadsheet and as described herein).
- B. All Bid Response formats shall be clearly externally marked to include, but not be limited to:
  - 1. Bidder identification.
  - 2. Project Owner identification.
  - 3. Project name.
  - 4. Bid submission date.

- C. Bid Responses shall include an index containing copies/PDF of a complete index of documents comprising Bid Response. Responses shall include, but not be limited to the following tabbed/folder sections:
  - 1. Section 1 Forms, which shall contain copies/PDF files of all required and completed bid forms.
    - a. BID FORM
    - b. Michigan Familial Relationship Disclosure Statement
    - c. REFERENCES
    - d. CONTRACT EXCEPTIONS
    - e. SCHEDULE(s) OF VALUES
    - f. BID BOND
  - 2. Section 2 Overview, which shall contain copies/PDF files of cover letter and/or executive overview.
  - 3. Section 3 Submittals, which shall contain copies/PDF files of all required and voluntary submittals.
  - 4. Section 4 Appendices, which shall contain copies/PDF files of other reference materials Bidder wishes to or is required to submit.

### 3.08 AWARD OF CONTRACT

- A. The material proposed to be used for the completion of work, and the competency, solvency and responsibility of bidders will receive due consideration before award of contract. In the reception of bids for this work, the Owner incurs no obligation to accept the lowest, or any bid submitted. The right to accept or reject any and all bids or portion thereof is reserved by the Owner. The Owner reserves the right to require testimonial, accounting or legal documents pertaining to the solvency of a Contractor, or any other decision factor the Owner deems appropriate, prior to award of contract.
- B. Owner reserves the right to select individual components from schedule of values independent of installation as may be determined in Owners best interest. Selected bidder may be required to install selected components provided by others.
- C. Issuance of a Purchase Order by Owner in response to a valid bid shall be a Notice to Proceed, and shall become part of, but not limited to, all terms, conditions, and requirements herein. Notice to Proceed shall have the full effect of contract award, and shall make all terms, conditions, requirements,

and responsibilities of Bidder binding upon issuance. Notice to Proceed, once issued, shall become an inseparable part of the contract documents herein, and constitute both Bidder and Owner's acceptance of contract.

# 3.09 TIME, SCHEDULES, PROJECT MANAGEMENT, MEETINGS AND PLANS

- A. Time is of the essence on this project. Award of contracts for this project will be contingent on the bidder's agreement to complete the work on or before the contract completion date stated herein.
- B. All Contractors will commence work in such a manner and at such a time as to expeditiously interface with the work of other Contractors and will pursue the project diligently to completion. All Contractors will work in a cooperative manner with Owner and other Contractors.
- C. Contractor shall appoint an overall Project Manager acceptable to Owner, with skills and experience deemed appropriate by the Owner for the scope and size of the project. Project Manager shall be responsible for the scheduling of all Contractor resources and attending all project meetings. Upon notification of Bidder being considered a finalist, the Bidder shall submit professional resume of proposed Project Manager within forty-eight (48) hours.
  - 1. Project meetings shall be conducted at Owner's selected and identified location weekly and at Owner's and/or Designer's discretion.
  - 2. Within five (5) days of Notice to Proceed (issuance of a Purchase Order by the Owner), Contractor's Project Manager shall provide to the Owner a critical flow path in the form of a "Gantt Chart" (or equivalent) indicating the proposed sequence of events and approximate beginning and completion dates in accordance with, compliance to, and coordinated with requirements herein.
  - 3. Changes of the Project Manager during the project shall not be acceptable without prior written approval from the Owner.
  - 4. It is the responsibility of the Contractor's Project Manager to schedule work, work out issues, ensure that all required products and services are delivered according to schedule and attend to any other matters required by the Owner in the interest of professional and timely completion of the project.
  - 5. The appointed Project Manager, or a designee acceptable to the Owner, shall be in attendance of all project meetings throughout the term of the project. Failure to do so may be considered a material breach of contract.
  - 6. After a ten (10) business day notice, the Owner reserves the right to request a new Project Manager, when it appears that, in the Owner's sole

discretion, the Project Manager is not fulfilling the full responsibilities of the position. Failure by Contractor to provide adequate Project Manager meeting requirements of the Owner, may result in Contract termination.

#### 3.10 CHANGES IN THE WORK

- A. No changes in work with the effect of either increasing or decreasing in the project value shall be made without specific and prior authorization by the Owner and Designer.
- B. Owner, without invalidating the contract and without notice to any surety, may at any time order extra work or make changes by altering, adding to or deducting from the work, the Contract Sum being adjusted accordingly. All such work shall be authorized by a written Change Order approved by Owner and Contract Designer. Upon receipt of such an order Contractor shall promptly proceed with the work involved. All such work shall be executed under the conditions of the original Contract. Owner authorized change order(s) may be issued at any time prior to Contract close out.
- C. When so directed, Contractor shall promptly submit an itemized estimate and a unit price for performing or deleting such extra or changed work as may be contemplated. Any extensions or reductions of the contract time associated with extra or changed work shall be identified at the time Contractor submits such documentation.
- D. At the Owner's discretion, adjustments in the Contract Sum shall be determined by one or more of the following methods:
  - 1. By mutual acceptance of a lump sum cost, including overhead and profit, itemized and supported by sufficient substantiating data to permit evaluation.
  - 2. By unit prices stated in the Contract Documents including, but not limited to, Schedule of Values.
  - 3. By unit prices mutually agreed upon.

# 3.11 PAYMENT REQUESTS AND PAYMENTS

- A. Contractor's invoices shall be submitted monthly in correlation with the Project Schedule indicating percentage of work completed.
- B. All contract and change order invoices shall be sent directly to Contract Designer.
- C. A 10% retainage shall be held back on all payment requests, including, but not limited to hardware, software, change orders and services, until final

- completion and close out of the project or project phase as determined by Owner and Designer.
- D. Contractors are required to submit all invoices on approved AIA Payment Request Forms or other billing format pre-approved by Contract Designer. Each AIA Payment Request Form shall be accompanied by a properly completed, executed, and notarized Waiver of Lien which shall be in a format and contain verbiage approved by Owner.
- E. The Contract Designer and Owner shall process payment requests on a monthly schedule and in accordance with their respective established processes and procedures. Payments will be made by the Owner based only on AIA Request Forms having been previously certified, audited and approved by Contract Designer and accompanied by acceptable Waiver of Lien.

END OF SECTION

# SECTION 00 65 00 CONTRACT CLOSE OUT

#### PART 1 - GENERAL

#### 1.01 WORK INCLUDED

- A. Provide an orderly and efficient transfer of the completed work to Owner.
- B. Details affecting work of this Section includes but is not limited to all other Sections herein and all related Contract Documents.
- C. Activities relative to Contract close-out are described in, but not limited to, this and other Sections of this document.

#### 1.02 SUBSTANTIAL COMPLETION

- A. "Substantial Completion" shall be defined as:
  - 1. All responsibilities of Contractor for all provisions and requirements of all divisions and sections of complete Contract herein, and as amended, are properly and fully completed, or properly, accurately and acceptably provisioned for.
  - 2. All systems, equipment, facilities, services, programming and/or components required by all divisions and sections of complete Contract are fully operational, acceptable, and useful to the Owner for their intended purposes.
- B. Prior to requesting inspection by Designer to certify Substantial Completion, Contractor shall use adequate means to assure the Work is completed in accordance with the specified requirements and is ready for such inspection.

### PART 2 - MATERIALS

#### 2.01 NOT USED FOR THIS SECTION

#### **PART 3 - EXECUTION**

## 3.01 PROCEDURES

- A. Contractor shall submit a written request to Designer indicating they have achieved Substantial Completion of Work.
- B. Within a reasonable time after receipt of the request, Designer will inspect Work to determine status of completion.
- C. Should Designer determine the Work is not substantially complete:

- 1. Designer promptly will so notify Contractor, in writing giving reasons therefore and providing sufficient details to allow Contractor to make corrective actions.
- 2. Contractor shall then expeditiously remedy the deficiencies and notify Designer in writing when ready for re-inspection.
- 3. Designer will re-inspect the Work.
- 4. Excessive re-inspections of Work may result in fees being assessed Contractor.
- D. Should Designer concur the Work is substantially complete:
  - 1. Designer will prepare a letter of Substantial Completion.
  - 2. Designer will submit the letter to Owner and Contractor.
  - 3. Contract shall be deemed "Closed Out" for retainage purposes.
  - 4. Final Acceptance of the system shall be deemed complete.

END OF SECTION

# SECTION 27 41 16 MULTIMEDIA SYSTEMS

#### PART 1 - GENERAL

### 1.01 DESCRIPTION OF PROJECT

- A. Work described in this specification section pertains to new audio and visual infrastructure and instructional equipment for Clarkston Community Schools' elementary gyms.
- B. Contractors shall propose Systems and/or components to be deployed using standard procedures and technology components and as specified herein. The system components shall be installed and connected to the owner's existing physical infrastructure and as specified herein.
- C. Contractor shall advise, coordinate, and work cooperatively with Owner representatives or owner's designee related to any configuration changes required and/or proposed for Owner's existing physical infrastructure.
- D. Contractor shall work collaboratively with Owner and Designer. Work shall include but not be limited to installation of supplied equipment, removal of any existing equipment not to be reused, and full operational capacity of system as specified herein.
- E. The Contractor shall design, engineer, configure, supply, connect, test, document, train Owner representatives and warrant a fully operational and compliant system and/or component connection to the system complete and with full functionality as specified herein.
- F. Contractor shall provide all transportation and delivery services in a timely manner to individual work location(s) at each site of work in preparation for installation activity.
- G. Contractor shall coordinate their installation with other contractors, Designer and the Owner as is appropriate.

# 1.02 WARRANTY

- A. Complete installation shall be free from defect and/or failure for a period of warranty. Any replacement, upgrade, or fix, including labor for any non-conforming or non-operational part of the system shall be fixed and/or replaced at no cost to the Owner.
- B. Manufacturer's warranty shall be provided for all components of the system.

- 1. Any documents and/or submittals required by individual manufacturers for compliance with the standard and/or applicable extended warranty programs shall be provided and submitted for approval by the Contractor.
- 2. Contractor shall submit all documents, apply for warranty or extended warranty certification, and provide a Certificate of Warranty or Extended Warranty as may be applicable from the manufacturer prior to project closeout.
- 3. Standard manufacturer warranty duration and terms shall be identified for each component with bid.
- 4. REQUIRED ALTERNATE: Standard manufacturer warranty duration and terms shall be identified for each component with bid as well as additional fee required for warranty duration election of each of the following terms:
  - a. Three (3) year parts and labor warranty.
- C. On site services provided under the warranty shall be performed by personnel or representatives of manufacturer of individual components and/or appropriately trained and certified Contractor representatives as herein defined and located within physical proximity to provide response levels deemed acceptable to Owner.
- D. Contractor shall provide the following response times for all malfunctioning equipment:
  - 1. Twenty-four (24) hours or less for matters that render twenty percent (20%) or more of the system unable to maintain normal functionality.
  - 2. Two (2) business days for matters not meeting the above criteria.
  - 3. Response time shall be measured from the time Contractor is notified by Owner to the time work is begun to resolve the matter.
- E. Bidder shall provide current annual maintenance contract pricing, terms and conditions for recommended maintenance programs for all equipment following the specified and included warranty periods as a Voluntary Alternate. This information will be considered by Owner and Designer as part of the bid evaluation process.
- F. System Warranty shall commence on date of substantial completion as certified by Designer and provided for herein. Delivery to work site of materials, physical removal from packaging, issuance of Contractor documents including, but not limited to invoices and/or packing slips, or any event or documentation, not specifically provided for herein, shall have no effect on Warranty or System Acceptance by Owner and/or Designer.

#### 1.03 SUBMITTALS

- A. Submittals shall consist of, but not be limited to, technical cut sheets and detailed information pamphlets on all components of the system to be installed. All cut sheets and submittals shall be distinctly marked to highlight the actual part number of the item being submitted for approval with Bid Proposals.
- B. Shop drawings, data sheets and diagrams shall be submitted by Bidder for approval by Designer with Bid Proposals.
  - 1. Shop drawings, data sheets and diagrams shall show all data relating to structural, electrical, wiring, cross connect, interconnect, equipment arrangement/layout, and any other information deemed significant by the Designer.
  - 2. No work constituting final installation shall be commenced until after approval of shop drawings, data sheets and diagrams by Designer.
- C. Contractor shall provide proof of manufacturer support by photocopy of certification and letter of support from major component manufacturers for this specific project with Bid Proposals.
- D. Equipment or material installed for this project that do not have an approved submittal associated with it, will be removed, and replaced with acceptable equipment or material as defined by the Designer. All replacement costs including, but not limited to material and labor, shall be the sole responsibility of the Contractor.
  - 1. The Owner and/or Designer may notify Contractor of any offending situations under this provision allowing Contractor up to forty-eight (48) hours to correct the situation prior to taking other corrective action.
  - 2. The Owner reserves the right to replace unapproved materials and deduct the costs of doing so as defined herein from any amounts that may be due or become due Contractor.
- E. The Contractor shall submit within ten (10) calendar days after the Notice to Proceed, a schedule that reflects the sequence of activities of the contractor's approach to the execution of and completion of the work. The schedule shall be broken into work areas to provide for a clear identification of the planned progress of the work. Included in the schedule will be a list of tasks with list of deliverables and the percentage of work completed. This schedule shall coincide with progress payments applications dates and projected amounts. All durations shown will be in working days. Applications that generate Microsoft Project compatible files shall be management tools of choice. The timeframe described in the Contractor's Schedule shall represent the Contractor's plan for organizing, directing, managing, controlling, staffing,

and executing the work required by the Contract Documents. The district will rely on such schedules to coordinate and otherwise plan the work of the District, other separate contractors, or the District's routine daily work.

#### 1.04 REFERENCE SPECIFICATIONS

- A. All work, products, and materials shall conform with the following standards as applicable for the intended use:
  - 1. EIA/TIA Commercial and Administration Standards
  - 2. NEC
  - 3. IEEE 802
  - 4. IETF RFCs
  - 5. FCC All Applicable Rules and Regulations
  - 6. UL
  - 7. MIOSHA Safety Standards

#### 1.05 CONTRACTOR

- A. The Contractor shall accept complete responsibility for the installation, certification and support of the system and/or components as required herein. Contractor shall be an authorized vendor of all major components.
- B. All work shall be performed and supervised by Project Managers, Engineers and/or Technicians who are qualified to install specified equipment and perform related tests as recommended by the manufacturer and in accordance with the manufacturer's best practices and methods and as required herein.
- C. Project Managers, Engineers and Technicians employed on this project shall be properly and fully trained and qualified by the manufacturer on the installation and testing of the equipment and systems to be installed.
- D. The Contractor shall have a proven track record in comparable system supply, configuration, and installation. This must be shown by the inclusion of references of at least three (3) projects involving the supply and/or installation of similar systems completed by the Contractor in the prior two (2) years with the sealed Bid Proposal as provided herein.

### PART 2 - PRODUCTS

2.01 Acceptable Manufacturers

- A. Acceptable manufacturers have been provided to comply with a standard for individual components associated with the specified system. Indicated components include particular models and makes currently installed and/or preferred by Owner.
- B. Any system bid shall be based only on acceptable manufacturer's components.
- 2.02 Supply most current version of all products provided.
  - A. Manufacturer shall have five (5) years of experience and history manufacturing similar products to those specified.
  - B. Proposed components shall have been field tested and proven in actual use.
  - C. Prior and/or old versions of products, unless specifically approved and documented by Designer and/or Owner shall not be acceptable.
  - D. In cases where a newer version of hardware or software is available at the time of installation, Contractor shall request clarification from Designer on which version is to be used.
- 2.03 Furnish only new, first class quality materials and equipment.

### 2.04 AUDIO SPEAKERS

- A. Eight (8) Speakers shall be installed in/on finished surfaces or structural components in each gym and as indicated in Appendix A.
- B. Acceptable Manufacturer:
  - 1. Biamp
    - a. D10 Speakers (including back boxes/enclosures and mounting brackets)
  - 2. Or equal
- C. Speakers shall be mounted in fully enclosed, acoustically appropriate, back boxes and fully supported by appropriate mounting hardware.
- D. Any existing speakers for any existing program systems being replaced shall be removed by Contractor and properly disposed of.
- E. Speakers shall be installed professionally following all manufacturer installation recommendations and industry best practices.
- F. Where specific speaker location is in question, obtain Owner approval prior to any final installation activity.
- G. All speakers shall include attractive finished white grill.

- H. All speaker wire shall be 16 AWG high quality cable.
- I. All cable shall be routed in support (D-rings, S-hooks, bridle rings, etc.). Cable supported by ceiling grid or directly by structural members will not be acceptable. No exposed cable shall be visible. Any cable that would be exposed shall be protected in appropriate raceway material approved by designer.
- J. All features currently a part of the manufacturer's latest commercial release shall be included.
- K. Contractor shall provide all necessary parts to provide a fully functional and compliant system.

## 2.05 VIDEO PROJECTORS

- A. Video Projectors each with accompanying specific mounts and lens shall be provided and installed in locations as indicated in Appendix A.
- B. Acceptable Manufacturer(s):
  - 1. EPSON
    - a. EB-PU1008B WUXGA 3LCD Laser Projector including protective enclosure
    - b. Including appropriate mounting bracket, down pipe, shelf and all necessary components.
  - 2. Or equal.
- C. All features currently a part of the manufacturer's latest commercial release shall be included.
- D. Contractor shall provide all necessary parts to provide a fully functional and compliant system.

## 2.06 SYSTEM PROGRAM AMPLIFICATION

- A. A primary system program combined DSP/Amplifier shall be provided and installed in each gym location as indicated in Appendix A.
- B. Acceptable Manufacturers
  - 1. Biamp
    - a. ALC-404D Combined DSP/Amplification system.
  - 2. Or equal

- C. Contractor shall reserve one input for connection to building public address system with override programming included.
- D. Contractor shall provide audio cable(s) for connectivity from audio output of projector to system program amplifier to support a fully functional and compliant system.
- E. All features currently a part of the manufacturer's latest commercial release shall be included.
- F. Contractor shall provide all necessary parts to provide a fully functional and compliant system.

# 2.07 VOICE AMPLIFICATION EQUIPMENT

- A. Voice Amplification Systems shall be provided and installed in each gym location as indicated in Appendix A.
- B. Acceptable Manufacturers
  - 1. Audio Enhancement
    - a. CA-70 System
    - b. Or equal
- C. Voice Amplification systems shall meet or exceed the following minimum standards:
  - 1. DECT (1.9 GHz) communication for complete gym coverage of two (2) microphones simultaneously.
  - 2. One (1) highly durable, rechargeable, battery powered, tamper resistant, impact resistant, lanyard based pendant microphone.
    - a. Autio Enhancement XD Teacher Microphone
    - b. Or equal
  - 3. One (1) highly durable, rechargeable, battery powered, tamper resistant, impact resistant hand held microphone.
    - a. Audio Enhancement XD Handheld Microphone
    - b. Or equal
- D. Contractor shall provide one (1) audio cable to connect input port on amplifier to 3.5mm jack at wall input for auxiliary device connection at the instructor's discretion.

- E. Contractor shall provide Bluetooth input for system that can be connected from the gym.
- F. Contractor shall provide audio cable(s) for output connectivity to audio input of system program amplifier to support a fully functional and compliant system.
- G. Contractor shall supply all mounting hardware and materials to securely mount the audio amplifier on the top of the projector wall mount.

#### 2.10 WIRELESS PRESENTATION

- A. Wireless Presentation Systems shall be provided and installed in all gym locations and as indicated in Appendix A.
- B. Acceptable Manufacturers:
  - 1. Kramer VIA GO2
  - 2. Or equal
- C. Wireless presentation device shall allow teacher and student devices to present to the gym projector without the use of any AV cables or dongles attached to their devices. Device shall be compatible with, Windows, Mac, Chrome, iOS, and Android.
- D. In the event of a power failure, system shall automatically re-initialize and "become active" to the last configuration in use with no human intervention.
- E. Contractor shall provide one (1) HDMI cable and one (1) Category 6 UTP network patch cable for connectivity of wireless presentation device to support a fully functional and compliant system.
  - 1. HDMI to projector
  - 2. UTP to Owner provided data drop near projector
- F. Contractor shall supply all mounting hardware, integration components and labor and materials to securely mount all components and insure compliant, fully functional, first-class operation.
  - 1. Contractor shall supply all mounting hardware, integration components and labor and materials to securely mount all components and insure compliant, fully functional, first-class operation.

### 2.11 POWERED WALL MOUNTED SCREEN

A. Powered Screens shall be provided and installed in all gym locations and as indicated in Appendix A.

- B. Acceptable Manufacturers:
- C. DA-LITE
  - 1. 39158L Tensioned Controur Electrol Screen
- D. Screens shall meet or exceed the following:
  - 1. 159" Diagonal viewing surface
  - 2. HD Progressive 1:1 surface
  - 3. 120v electric motor with low voltage control
  - 4. 16:9 aspect ratio

## 2.12 SYSTEM CONTROLS

- A. System Controls shall be provided and installed in all gym locations and as indicated in Appendix A.
- B. Acceptable Manufacturers:
- C. Crestron or equal
- D. System controls shall meet or exceed the following:
- E. User interface to the control system shall be Crestron TSW-770-B-S or equal with protective cover shall be provided with full programming and all supporting materials and labor, including but not limited to, control processor(s) and device connections for a fully functional, compliant, first class system providing, but not limited to the following functions:
  - 1. System power control (on/off)
  - 2. Screen control (up/down/stop)
  - 3. Discrete projector control (on/off)
  - 4. Source selection (Kramer, wall plate, etc.)
  - 5. Audio Control (mute/volume increase/decrease)
  - 6. System reset on power on and off
  - 7. System lock-out function
  - 8. System automation for power on/off based source sensing

F. Contractor shall supply all mounting hardware, integration components and labor and materials to securely mount all components and insure compliant, fully functional, first-class operation.

# 2.13 EQUIPMENT RACK

- A. Equipment racks shall be provided and installed in all gym locations and as indicated in Appendix A.
- B. Acceptable Manufacturers:
- C. Legrand CWR-18-26PD Wall Rack
- D. Rack shall include, but not be limited to locking doors and access, passive ventilation, in rack power management.
- E. Contractor shall remove all existing racks and mounting brackets where new equipment is to be mounted in a different location from existing conditions. Care shall be used in the removal of all materials and reasonable efforts shall be made to restore open boxes with cover plates. Contractor shall not be responsible for patching and painting unless it is determined Contractor did not employ utmost care in the removal process.

#### 2.14 ALLOWANCES

- A. Contractor shall include allowances for equipment and/or other contract service reimbursements as required below in base bid lump sum amount(s). Equipment and/or contract services shall be provided and sourced at Owner's discretion and convenience with full cooperation by Contractor and paid for from successful bidder's contract in the amount(s) provided for herein. Any allowance amount proving to be excessive for the intended equipment and/or contract services shall be credited to the Owner against contract payment requests.
  - 1. Allowance shall be made in the amount of \$12,500 for facility electrical modifications to support the installation.
  - 2. Allowance shall be made in the amount of \$15,000 for contract services related to project contingency.

### **PART 3 - EXECUTION**

#### 3.01 PREPARATION

A. Contractor shall conduct detailed walk-through examination with Designer, Construction Manager and Owner verifying equipment and material locations as well as mounting and placement requirements prior to commencement of other installation activities.

- B. Contractor shall completely cooperate with Owner's Construction Manager for all site access, site safety and related matters. Contractor shall obtain current drawings, specifications and plans from Owner's Construction Manager and make field adjustments as required to correctly and reasonably coordinate with other trades. Contractor will attend all CM field coordination and schedule meetings and cooperate with project timelines as directed.
- C. Contractor shall ensure all submittals and have been provided to, and approval has been obtained from Designer and Owner prior to commencement of any final installation activities. Submittals shall include, but not be limited to:
  - 1. Shop drawings, data sheets and system diagrams including specific cable connectors and types proposed to be installed.
  - 2. Asset tag format, composition, attachment method and location on each serialized component being provided.
  - 3. Firmware configuration template to be used for each component provided.
  - 4. Written installation, coordination, and test procedure to be followed by installing technicians and engineers.
  - 5. Final documentation template.

#### 3.02 INSTALLATION

- A. Contractor shall be familiar with the environment where work will be done as specified herein and make every reasonable effort to minimize interference with Owner's or other contractor's activities.
  - 1. Appendices depicting general ceiling conditions for areas of buildings are included herein. Contractors shall field verify specific room conditions.
- B. Work Areas shall be cleaned at the end of each day. All debris shall be cleared, removed, and disposed of off premise. All equipment and tools shall be removed from common areas and stored in approved, secure storage locations.
  - 1. Owner shall not be responsible for disposal or transportation of any packaging materials or other waste items.
  - 2. Owner's waste containers including site dumpsters shall not be used for material disposal.
- C. All equipment and materials shall be installed in a neat and workmanlike manner. Best practices installation principles shall be used throughout the project.
- D. The Contractor shall furnish, set in place, and install all equipment necessary

for a fully compliant and operational system as specified herein. The installation process includes, but is not limited to the following:

- 1. Inventory receipt of all components and equipment.
- 2. Storage of all equipment and components until such time those items are installed according to the specifications.
- 3. Transport equipment to the Owner's installation location(s).
- 4. Assemble, install, configure, and test all equipment and components, maintaining accurate inventory records and status documents and discarding packaging.
- 5. Collect all information necessary to accurately program all system devices to the Owner's intended use and need.
- 6. Label with asset tags and other markings provided by Owner all system devices as may be appropriate and required by Owner and Designer.
- 7. Work shall be performed to meet local codes and industry standards including proper grounding and bonding of installed equipment. Work shall conform to "best practices" observed by industry professional installers and as required by Owner and Designer.
- 8. Work shall include careful coordination and cooperation with others to ensure a timely, cost effective and proper installation for Owner's intended application. Such efforts shall include, but not be limited to, coordinating, and cooperating with other contractors, Owner, Designer and Engineer.
- 9. Where cables are to be routed through or on a finished wall, standard connectors must be used at the wall location to terminate call cables. All wall plates shall be stainless steel. Plastic or nylon plates shall not be acceptable. Cables routed out of a wall box on a finished wall without proper standard connection termination shall not be acceptable.
- 10. All cables shall be proper and adequately supported using hooks or rings no more than eight feet (6') apart. Cables supported by structural steel, ceiling grid or hanger wires will not be acceptable. All cable routing shall be neat and orderly.
- 11. All cable connecting components mounted in/on Technology Cart, shall have adequate cable slack to provide for full system inspection and or service without the removal (intentional or inadvertent) of connecting cables, including items that will be placed on the keyboard tray of equipment carts.
- 12. Label all cable connections for intuitive user access and as directed by Owner and Designer.

- 13. Work may include extending cables from installed equipment, and as required and/or specified herein, to Owner identified connection outlets.
  - a. Work includes supply, connection, and testing of any such cables.
  - b. Work includes neatly routing all cables and securing cables with Velcro straps as may be reasonably required to keep cables in position during normal operating, service, and inspection operations.
  - c. Cables for some devices may be routed in air plenum spaces, above finished ceilings, or in other ways require special care and suitable tools to complete. Where air plenum status is in question and/or may change, plenum rated cable shall be used.
- E. Contractor shall provide HDMI transport electronics and cables connecting the projector to a wall outlet in an input box and raceway (empty dual gang input box and raceway provided by others). All connectors, face plates and materials for a fully compliant, first class, functioning system shall remain the responsibility of the contractor. Audio input from this connection shall be routed to the system.
- F. In the event of a power failure, system shall automatically re-initialize and "become active" to the last configuration in use with no human intervention.
- G. All installation and configuration activity shall fully comply with both the manufacturer's recommended procedures as well as industry best practices.

#### H. VIDEO PROJECTORS

- 1. Install, configure, and test approved firmware configuration template including, but not limited to:
  - a. Power on Image.
  - b. Lamp setting.
  - c. Firmware based Device ID (Including parameters such as: TCP/IP settings, Host Name, etc.).
  - d. Default port selection.
- 2. Neatly configure all cables as directed by Owner.
- 3. Attach projector to mount/shelf using projector security mounting plates.
- 4. Connect AC power using cord provided to projector.
- 5. Align projector with screen.

- 6. Set keystone adjustment(s) as required.
- 7. Zoom and focus projector as required.
- 8. Properly and completely secure all adjustment points.
- 9. Remove and dispose of all excess materials, and packaging as directed by Owner.

## I. WIRELESS PRESENTATION DEVICES

- 1. Develop with Owner and Designer an approved firmware configuration template for all physical and programmatic settings available on the product.
- 2. Install, configure, and test approved firmware configuration template in all spaces as indicated on schedules herein.

#### J. AMPLIFICATION SYSTEMS

- 1. Connect all audio input and output device cables.
- 2. Secure mounting location with mounting screws or Velcro pads to eliminate involuntary equipment movement.
- 3. Neatly route all cabling and secure slack.
- 4. Adjust balance levels for standard configuration.
- 5. Tune room with integrated DSP.
- 6. Verify target volume level in space with sound meter and record level at installation.
- K. It shall be the responsibility of the Contractor to repair or replace any damage done to the structure of finishes in the building by the Contractor. If in the course of work, Contractor damages, marks, or misplaces any surfaces or access plates/panels the Contractor shall repair and/or replace the surface, plate, or panel to the original condition.
  - 1. Repairs shall include, but not be limited to patching and painting.
  - 2. Final determination as to the damage condition and/or repair/replacement fitness of any surface, plate or panel shall be the sole responsibility of the Designer.
  - 3. The building and work area shall be returned to its original condition prior to final sign-off of the project.
- L. Following installation and system "turn-up", but prior to final acceptance of

the system, Contractor shall conduct follow-up interviews with Owner identified administrators and staff to review system functionality, suitability and confirm feature and program fitness for Owner applications.

- 1. Follow-up interviews shall be fully documented by Contractor and submitted to Owner for approval.
- M. All cable and device labels shall match existing standard.
- N. Sites of Work:
  - Andersonville Elementary School 10350 Andersonville Road Davisburg, MI 48350
  - Bailey Lake Elementary School 8051 Pine Knob Road Clarkston, MI 48348
  - Clarkston Elementary School 6589 Waldon Road Clarkston, MI 48346
  - 4. Independent Elementary School 6850 Hubbard Road Clarkston, MI 48348
  - 5. North Sashabaw Elementary School 5290 Maybee Road Clarkston, MI 48346
  - 6. Pine Knob Elementary 6020 Sashabaw Road Clarkston, MI 48346
  - 7. Springfield Plains Elementary 8650 Holcomb Road Clarkston, MI 48348

## 3.03 TESTING

- A. In an effort to ensure a smooth "turn-up" of the new system Contractor shall submit to a thorough testing process as defined herein prior to cut-over.
- B. Prior to requesting testing by Designer, the Contractor shall use adequate means to assure the Work is completed in accordance with the specified requirements, meets the owner's specific application requirements and is ready for functionality and integrity testing.

# C. Testing Procedures

- 1. Prior to system "turn-up", of initial system installation Contractor shall submit a written request and proposed test plan to Designer indicating they have completed full and final configuration of the system and are ready to have system integrity and functionality tested.
- 2. Within reasonable time after receipt of request, Designer will accept or revise the proposed test plan, provide a test schedule and coordinate testing date(s) with Owner and Contractor.
- 3. Should Designer determine the Work is not acceptably configured or not of adequate integrity:
  - a. Designer promptly will so notify Contractor, giving reasons therefore and providing sufficient details to allow Contractor to make corrective actions.
  - b. Contractor shall then expeditiously remedy the deficiencies and notify Designer in writing when ready for re-testing.
  - c. Designer will schedule re-test of the Work.
  - d. Excessive re-testing of Work may result in fees being assessed Contractor.
- 4. Should Designer and Owner concur the Work is configured properly, and system integrity is as required:
  - a. Designer will review Contractors detailed "turn-up" plan, and upon finding it acceptable issue a memorandum of Testing Completion to Owner and Contractor after which system "turn-up" and remaining installation work can proceed.

#### 3.04 DOCUMENTATION

- A. Contractor shall, throughout the completion of the project, provide Owner a file storage system that shall include all necessary equipment, including if reasonably required, file drawers, folders, dividers, etcetera, to contain all asbuilt drawings, owner's manuals of all equipment installed, warranty and maintenance information and other information the Contractor, Designer and/or Owner deem necessary. Documentation shall also be provided in a digital format in file formats and on media as specified by Owner and/or Designer.
- B. Contractor shall be responsible for providing thorough, timely documentation on all hardware, software. Documentation shall include, but not be limited to:
  - 1. Equipment description.

- 2. Equipment make.
- 3. Model number.
- 4. Software release.
- 5. Date installed.
- 6. Location installed.
- 7. Manufacturer's warranty.
- 8. Maintenance contract terms.
- 9. Verification of maintenance contract engagement.
- 10. Telephone numbers for service and support.
- 11. Detailed technical support and service procedure instructions.
- 12. All product (hardware and software) manuals and manufacturer supplied documentation, including, but not limited to owner manuals, system administrator manuals and configuration guides. Where number of duplicate copies for particular manual or documentation item could be reasonably considered excessive, Contractor shall request direction from Owner and Designer.
- 13. Photocopy of original invoice listing make and model for all components and equipment from individual manufacturer(s), distribution source(s), or authorized agent(s) to establish manufacturer warranty start date for potential use after end of contract warranty provisions.
- 14. CAD or Visio as built drawings/diagrams for each building.
- 15. System Configuration Report.
- 16. Complete inventory of installed hardware and system software including, but not be limited to, model numbers, Ethernet MAC address, serial numbers, physical installation location and software options.

## 3.05 TRAINING

- A. No training shall be conducted prior to training outline and/or syllabus being approved by Owner, Instructional or overview activities conducted without prior content approval with not be deemed contract training, and Contractor shall remain responsible for delivery of approved training.
- B. Contractor shall provide training for the Owner designated system administrator(s). Training shall be a minimum of one (1), one (1) hour session in length, at the convenience of the Owner personnel, and of sufficient

duration to satisfactorily complete training on all system administration functions including, but not limited to:

- 1. Basic trouble shooting of the installed system and components including diagnostic and problem resolution actions.
- 2. System back-up and restore functions and procedures for all system parameters and configurations.
- 3. Device additions moves and changes as well as reconfiguration.
- 4. Review of system alerts, logs and monitoring of configuration parameters including, but not limited to and system configuration changes.
- C. Contractor shall provide end user training for classroom instructors district wide via the development of video training segments to be posted on an internal website for distribution. Training shall be available prior to substantial completion. End user video training segments shall include, but not limited to the following:
  - 1. System power up and power down.
  - 2. Source selection.
  - 3. Volume control.
  - 4. Voice amplification use.
  - 5. Document camera operation.
  - 6. System care and classroom maintenance best practices.
  - 7. Equipment cart relocation and adjustments.
  - 8. Screen operation and care.
  - 9. Problem reporting.

## 3.06 SCHEDULE, MEETINGS AND PLANS

### A. Schedule

1. Contractor Chosen: February, 2024

2. Work Commences: April, 2024

3. Substantial Completion: June, 2024

4. Project Close-out: July, 2024

B. Planned sequence of operations shall be established by the Contractor within

- the guidelines established by the Owner, as required herein and as required to meet schedules.
- C. All work shall be coordinated with Owner's construction manager on site.
- D. Project progress meetings shall be held, but not limited to, weekly at a site and time identified as convenient for Owner and as required herein. Meetings will be attended as required herein.
