

# Project Q & A

<b>Project Owner:</b>	Anchor Bay School District
<b>Project Name:</b>	Classroom Multimedia System Upgrade
<b>Issue Date:</b>	April 11, 2025

## Project Questions and Answers:

*This document provides answers to questions asked by bidders who have reviewed the Technology Request for Bid for the above referenced project.*

<b>Q1</b>	Do you want a Stainless-Steel Decora Plate at the HDMI Transmitter Location?
<b>A1</b>	Where applicable, yes. (27.41.61-65; J- 2- B)
<b>Q2</b>	Are we required to provide the cut-in locations?
<b>A2</b>	The only “cut in” expectations are that of the classroom speakers, as noted in the RFP.
<b>Q3</b>	What is the wall material?
<b>A3</b>	Generally, the wall conditions will be either cinder block, or drywall.
<b>Q4</b>	Will there be any wire mold required?
<b>A4</b>	There will be some surface mount raceway required, depending on the particular configuration, as noted in the RFP.
<b>Q5</b>	Will there be cable Pathways?
<b>A5</b>	Yes, where applicable. See the bid documents for detail.
<b>Q6</b>	Where will the Document camera be located for Configuration B?
<b>A6</b>	All document cameras will be located at the teacher’s work station.
<b>Q7</b>	Who is responsible for the Power Outlet at Projector, Ceiling Enclosure Locations?
<b>A7</b>	Others. See the specific language on this topic in the bid documents.
<b>Q8</b>	Which Network will the Screen Beam Connected to; Wireless or Hard Wired?

<b>A8</b>	Wireless network.
<b>Q9</b>	Will the doc cam connect to the room pc via USB?
<b>A9</b>	Yes.
<b>Q10</b>	Do you want any sort of control system for the Displays or will you be using remote controls?
<b>A10</b>	Control systems are not specified for any category of this project.
<b>Q11</b>	Do you want the Vaddio Doc Cam to display on both Displays in Config. F, or just one?
<b>A11</b>	Both displays- See 27.41.16- 51 B-5.
<b>Q12</b>	What is the speaker count in H?
<b>A12</b>	There are no speakers shown for this location on the appendix, therefore a perspective bidder would not include new speakers for this configuration.
<b>Q13</b>	Is this project Tax Exempt?
<b>A13</b>	Anchor Bay School District is a tax exempt organization in the state of Michigan.
<b>Q14</b>	The OWI MA8764 has been discontinued. Will the MA6760 work as the replacement?
<b>A14</b>	Since the M6760 appears to meet/ exceed the specifications of the M8764, this would be an acceptable alternative.
<b>Q15</b>	S130 has two Config A in the drawing. Is this correct or a misprint?
<b>A15</b>	Perspective bidders should assemble their proposal based on what is requested in the bidding documents, and shown in appendices as published.
<b>Q16</b>	S114 does not have a system listed. Is this correct?
<b>A16</b>	Please see Q/A 15.
<b>Q17</b>	Do you have a count of each configuration?
<b>A17</b>	Please see Q/A 15.
<b>Q18</b>	Can we use a different cord reel on the Config B Cart?
<b>A18</b>	As long as the cord reel you include meets or exceeds the specifications of the

	unit used as the design reference in the bidding documents, yes.
<b>Q19</b>	Per the Walk through the expectation of the Doc Cam in Config. F is supposed to be PTZ. (Pan Tilt Zoom) The specs have one that is Zoom only. Would you like to provide a part number or a functionality set up so we can provide a camera that meets your needs.
<b>A19</b>	Please see Q/A 15.
<b>Q20</b>	Please verify if the school will provide a lift as required.
<b>A20</b>	Confirmed.
<b>Q21</b>	For configuration H, the location of the projector and screen are not indicated on the floor plans provided, can we get some guidance on that?
<b>A21</b>	Please see Addendum #1.
<b>Q22</b>	On page 72 it states " All cables shall be proper and adequately supported using hooks or rings no more than eight feet (5') apart. Cables supported by structural steel, ceiling grid or hanger wires will not be acceptable. All cable routing shall be neat and orderly. " Can you please confirm that this is 5'?
<b>A22</b>	Confirmed.
<b>Q23</b>	Is a Performance bond mandatory, or will the bid security be sufficient?
<b>A23</b>	A performance bond and bid security are both required for this project, as specified in the bidding documents.
<b>Q24</b>	Is the district open to demo-ing our IFP solution?
<b>A24</b>	The Owner is certainly open to demonstrations of any equipment that meets the specifications outlined in this project. Demonstrations will be scheduled for products of interest after bids are opened and reviewed.
