PREFACE

Background

Operations and Demographics

Detroit Public Schools Community District (DPSCD or the District) provides a standard, traditional curriculum to a student body of approximately 50,000 students ranging from pre-kindergarten through the 12th grade. DPSCD also provides adult education at a variety of facilities during non-school hours. In addition to the standard curriculum, DPSCD offers a variety of specialized technical training programs for the higher-grade levels. The District encompasses an area of approximately 139 square miles. DPSCD operates 100 schools, including elementary (K-5), combination (K-8), middle schools, high schools, and technical center schools.

RFP Document

Suppliers need to review this document carefully. An explanation of the sections and parts are outlined below:

- o Section A-J (Parts I, II & III) will form the body of the contract once both parties have signed Section A. Upon award and acceptance of the proposed work, these sections become the contract with the Offeror (Vendor/Contractor) and DPSCD and may include attachments containing terms, conditions, and/or pricing specific to the product or service being rendered. Section J (Part III) contains all attachments or additional supporting information.

- o Section K-M (Part IV) contains the representations and certifications all Suppliers must complete to meet the eligibility requirements (Section K). It also contains the format instructions to Suppliers for both the specific product or service and general terms and conditions for all RFPs (Section L). Section M outlines specific information about the eligibility requirements, evaluation criteria and general selection process.

SECTION B SCHEDULE

Supplier shall provide necessary labor, material, equipment, transportation, and supervision for internal fiber cabling, low voltage cabling, and related network infrastructure equipment and installation.

PRICING

Pricing must be all-inclusive of labor, materials, supplies, travel, or any other necessary items. Pricing should include an applicable cost breakdown.

Bids shall be submitted in total with required detail for each item bid and include all portions of the work identified for the individual bid package as specified herein. Bids shall be made on Attachment B- Bid Form. Bidder shall fill in all blank spaces and the bid shall be signed by a legal officer or agent authorized to bind the bidder to a contract.

This Request for Bid describes a particular implementation. All Bids must provide pricing on the “base bid” as described herein. Voluntary alternatives providing comparable functionality with significant cost reduction and/or performance enhancement may be proposed. Voluntary alternatives are encouraged but must be identified as “Voluntary Alternates” and detailed on Attachment B- Bid Form. Voluntary Alternates may be further detailed and/or explained in attachments to the Bid Form. Exceptions to the Request for Bid specifications must be clearly noted and explained for each Voluntary Alternate proposed.

Trade-in, equipment/license exchanges or other return allowances may be provided as a voluntary alternate. Trade-in, exchange, or other return equipment allowances shall not be included in base bid amount.

Please see Attachment B- Bid Form for more information.

End of Section B

SECTION C SCOPE OF SERVICE

Detroit Public Schools Community District is seeking bids for new internal fiber cabling, low voltage cabling, and related network infrastructure equipment and installation at Southeastern High School located at 3030 Fairview St., Detroit, MI 48214. Proposed systems shall be configured and installed to service the District’s needs, as described herein.

The bid categories being requested in this RFP are as follows:

1. 26 33 53- Uninterruptable Power Supplies
2. 27 13 23- Fiber Optic Cabling
3. 27 21 00- Low Voltage Cabling
4. 27 22 19- Data Center Equipment

Bid security equal to five percent (5%) of the total bid amount, must accompany each base bid. Bid security shall be either a Bid Bond issued by a company licensed in the State of Michigan to furnish bid security or Certified Check made payable to the Detroit Public Schools Community District.

Selected supplier(s) will be required to provide a performance bond and payment bond in an amount equal to one hundred percent (100%) of the bid amount including any accepted alternates at the District's discretion. Such bonds shall be issued by surety licensed by the State of Michigan and acceptable to the District. The surety of the performance bond shall remain in effect until all acceptances and final contract close-out requirements herein have been executed by the District. Withdrawal of any Bids after the opening time without specific approval by the District may result in forfeiture of required bid security by Bidder.

Projects under this RFP are subject to Michigan State Prevailing Wage Laws (Michigan Public Act 10 of 2023). The contractor must pay prevailing wages and fringe benefits to all of the contractors, subcontractors, and construction mechanics working on the Project in accordance with Michigan Public Act 10 or 2023. The schedule of prevailing rates of wages and fringe benefits for all classes of construction mechanics are called for in the contract (specifications of work). A schedule of these rates shall be made a part of the specifications for the work to be performed and shall be printed on the bidding forms.

This document establishes the primary system(s) design configuration. The Bidder's bid response shall include all services, supplies, components, and equipment required to provide a complete turnkey system(s) which meets or exceeds all specifications for each given bid item being proposed.

The District prefers to enter into a contract with a single bidder for all materials for completion of this project but shall consider combinations of portions of bids from various bidders. If portions of separate bids are deemed compatible and compliant with the intent of the project, and a combination of partial bids is deemed to be in the District's best interest, and the District reasonably expects willing and compliant bidders will cooperate with others for the benefit of the District during implementation of the system, the District reserves the right to award portions of the project to multiple bidders which will cooperate to complete the work.

The District shall have authority for interpretation of Contract Documents. In the event terms, provisions or any other portion of the Contract Documents is/are in dispute, The District shall have full and final authority to interpret the Contract Documents, and such interpretation shall be final and binding.

Bidder shall provide timely response to all requests from the District regarding clarification and/or elaboration concerning, but not limited to its Bid as may be deemed relevant by the District.

Contractor shall continuously maintain adequate protection of all Work from damage and shall protect the District's property from injury or loss arising in connection with the execution of the Contract. Contractor shall make good any such damage, injury, or loss, except such as may be directly caused by agents or employees of the District. The Contractor shall adequately protect adjacent property as required by law, by the Contract Documents, or as otherwise required, to cause no damage to them during the execution of the Contract. This requirement shall also apply to structures above and below ground as conditions of the site require.

Contractor shall be solely responsible for, and have control over means, methods, techniques, sequences, and procedures for initiating, maintaining, and supervising all safety precautions and programs in connection with the performance of the contract. Contractor shall take all necessary precautions for the safety of employees and visitors on the site of the Project and shall comply with applicable provisions of federal, state, and municipal safety laws and building codes to prevent accidents or injury to persons on, about, or adjacent to the premises where the Work is being performed. Contractor shall erect and properly maintain at all times, as required by the conditions and progress of the Work, all necessary safeguards for the protection of workers and the community.

Drawings, Diagrams, and Illustrations are diagrammatic in nature and indicate general arrangement and nature of systems and work included. Floor plan drawings are provided to assist the contractor in preparing documentation and reports as required herein. Any bidder finding discrepancies between drawings, specifications, and/or bid documents, or be in doubt as to the exact meaning of any provision or detail shall notify the District at once, and before the deadline for questions and clarifications. The District may then, at their option, issue addenda clarifying same. The District is not responsible for oral instructions, or bidder's/contractor's misinterpretations of drawings, specifications, and/or bid documents.

All labor and materials shall be furnished and installed in strict accordance with the latest applicable codes, ordinances and regulations of any governing body having jurisdiction over this project.

In the event the quality of labor and materials required by the Drawings and Specifications herein exceeds requirements of current applicable codes, ordinances and regulations, the Drawings and Specifications shall take precedence.

In the event the quality of labor and materials required by current applicable codes, ordinances and regulations having jurisdiction over this project exceeds that of the Drawings and Specifications herein, the applicable codes, ordinances and regulations shall take precedence.

The Contractor shall give all notices and comply with all codes, laws, ordinances, rules, and regulations of any authority having jurisdiction, which bears on the performance of its work. This compliance includes, but is not limited to, the Michigan School Safety Initiative (PA129, PA130, PA131 and PA138) if applicable to work being performed.

The Contractor shall pay for all licenses, permits, taxes, and fees required for this project; and shall comply with all federal, state, local and District codes, laws, ordinances, regulations, and other requirements applicable to the work specified at no additional cost to the District. Contractor shall submit copies of all approved certificates and approvals to the District upon receipt.

The successful Bidder shall submit to the District a complete list of all subcontractors and all material suppliers proposed to engage in the work. Sub-contracts shall not be awarded until after they have been approved by the District.

Finalist bidders may be required to submit additional details related to sub- contractors and suppliers within forty-eight (48) hours after the bid opening.

Names of any principal subcontractors must be listed on the Bid Form.

All contracts made by the successful Bidder with Subcontractors shall be covered by the terms and conditions herein. The successful Bidder shall see to it that Subcontractors are fully informed in regard to these terms and conditions and shall bind all subcontractors to the same terms and conditions. Failure to do so will absolve the District from any liability for additional cost due to subcontractor claims for additional cost, time, or any claim(s) for additional cost by subcontractor(s).

Award of contracts for this project will be contingent on the bidder's agreement to complete the work on or before the contract completion date stated herein.

All Contractors will commence work in such a manner and at such a time as to expeditiously interface with the work of other Contractors and will pursue the project diligently to completion. All Contractors will work in a cooperative manner with the District and other Contractors. No work is able to commence without a purchase order from the District.

The contractor shall appoint an overall Project Manager acceptable to the District, with skills and experience deemed appropriate by the District for the scope and size of the project. The project manager shall be responsible for the scheduling of all contractor resources and attending all project meetings.

1. Project meetings shall be conducted at the District's selected and identified location weekly and at the District's discretion.
2. Within five (5) days of Notice to Proceed (issuance of a Purchase Order by the District, contractor's Project Manager shall provide to the a critical flow path in the form of a "Gantt Chart" (or equivalent) indicating the proposed sequence of events and approximate beginning and completion dates in accordance with, compliance to, and coordinated with requirements herein.
3. Changes to the Project Manager during the project shall not be acceptable without prior written approval from the District.
4. It is the responsibility of the Contractor's Project Manager to schedule work, work out issues, ensure that all required products and services are delivered according to schedule and attend to any other matters required by the District in the interest of professional and timely completion of the project.
5. The appointed Project Manager, or a designee acceptable to the District, shall be in attendance of all project meetings throughout the term of the project. Failure to do so may be considered a material breach of contract.
6. The District reserves the right to request a new Project Manager, when it appears that, in the District's sole discretion, the Project Manager is not fulfilling the full responsibilities of the position. Failure by Contractor to provide adequate Project Manager meeting requirements of the District, may result in Contract termination.

Qualifications

It is the District's desire for the selected firm to satisfy the below requirements:

- Firm has been in business for at least the last five (5) consecutive years.
- Be licensed to perform the work in the State of Michigan.
- Be familiar with and have experience in the K-12 educational sector by having completed three (3) projects in the last five (5) years over \$300,000.

SPECIFICATIONS

Bid Category 26 33 53- Uninterruptable Power Supplies

PART 1 – GENERAL

1.01 DESCRIPTION OF PROJECT

- A. Work described in this specification section pertains to supply and installation of new uninterruptable power supply (UPS) and power distribution (PDU) units for Detroit Public Schools Community District.
- B. Bidding contractor shall appropriate one (1) UPS and one (1) PDU per new network closet location.
- C. Contractor shall advise, coordinate, and work cooperatively with the District's representatives related to any installation or special security provisions.
- D. Contractor shall configure, supply, connect, test, document, train the District's representatives, and warrant a fully operational and compliant system, complete and with full functionality as specified herein.
- E. Contractor shall coordinate installation with other contractors, Architect, and the District as is appropriate.
- F. Contractor shall provide service rates for additional services not specified herein for the District's consideration. Rates shall be provided for the duration of the warranty period. The District will consider rate structures for additional services outside of the base contract as a factor in determining contract award.

1.02 WARRANTY

- A. Complete installation shall be free from defect and/or failure for a period of five (5) years. Any replacement, upgrade, or fix, including labor for any non-conforming, unsupported, or non-operational part of the system shall be fixed, and/or replaced at no cost to the District.
- B. Manufacturer's warranty shall be provided for all components of the system.
 - 1. Any documents and/or submittals required by individual manufacturers for compliance with the standard and/or applicable extended warranty programs shall be provided and submitted for approval by the Contractor.
 - 2. Contractor shall submit all documents, apply for warranty or extended warranty certification, and provide a Certificate of Warranty or Extended Warranty as may be applicable from the manufacturer prior to project closeout.
- C. On site services provided under the warranty shall be performed by personnel or representatives of Contractor as herein defined and located within physical proximity to provide response levels deemed acceptable to the District.
- D. System Warranty shall commence on date of substantial completion as certified by Architect and provided for herein. Delivery to work site of materials, physical removal from packaging, issuance of Contractor documents including, but not limited to invoices and/or packing slips, or any event or documentation, not specifically provided for herein, shall have no effect on Warranty or System Acceptance by the District and/or Architect.

1.03 STORAGE OF MATERIALS

- A. All materials shall be secured when not in use by the Contractor.
- B. It shall be the Contractor's responsibility to secure all equipment including material to be installed as part of the contract. No changes shall be made to the contract due to loss or theft of equipment and/or materials not officially accepted by the District.
- C. Formal receipt of the materials shall not be completed by the District until completion of project closeout. The Contractor shall be responsible for all equipment until time of closeout as provided for herein.

1.04 SUBMITTALS

- A. Submittals shall consist of, but not be limited to, technical cut sheets and detailed information pamphlets on all components of the system to be installed. All cut sheets and submittals shall be distinctly marked to highlight the actual part number of the item being submitted for approval with Bid Proposals.
- B. Shop drawings and diagrams shall be submitted by Bidder for approval by Architect with Bid Proposals.
 - 1. Shop drawings and diagrams shall show all data relating to structural, electrical, wiring, cross connect, interconnect, equipment arrangement/layout, and any other information deemed significant by the Architect.
 - 2. No work constituting final installation shall be commenced until after approval of shop drawings by Architect.
- C. Contractor shall provide proof of manufacturer support by photocopy of certification and letter of support from major component manufacturers for this specific project with Bid Proposals.
- D. Equipment or material installed for this project that does not have an approved submittal associated with it will be removed and replaced with acceptable equipment or material as defined by the Architect. All replacement costs including, but not limited to material and labor, shall be the sole responsibility of the Contractor.
 - 1. The District and/or Architect may notify Contractor of any offending situations under this provision allowing Contractor up to forty-eight (48) hours to correct the situation prior to taking other corrective action.
 - 2. The District reserves the right to replace unapproved materials and deduct the costs of doing so as defined herein from any amounts that may be due or become due Contractor.

1.05 REFERENCE SPECIFICATIONS

- A. All work, products, and materials shall conform with the following standards as applicable for the intended use:
 - 1. EIA/TIA Commercial and Administration Standards
 - 2. FCC – All Applicable Rules and Regulations
 - 3. IEEE
 - 4. MOSHA Safety Standards
 - 5. NEC

6. UL

1.06 CONTRACTOR

- A. The Contractor shall accept complete responsibility for the installation, certification, and support of the system. Contractor shall be an authorized vendor of all major components.
- B. All work shall be performed and supervised by Project Managers, Engineers and/or Technicians who are qualified to install system and perform related tests as recommended by the manufacturer and in accordance with the manufacturer's best practices and methods.
- C. Project Managers, Engineers and Technicians employed on this project shall be properly and fully trained and qualified by the manufacturer in the installation and testing of the equipment and systems to be installed.
- D. The Contractor shall have a proven track record in relevant similar system configuration and installation. This must be shown by the inclusion of references for at least three (3) projects involving the installation of similar systems completed by the Contractor in the prior two (2) years on unaltered forms with the sealed Bid Proposal as provided herein. Bid Proposal Form(s) may be duplicated as required to provide adequate space to list required number of reference installations for each division Bidder is responding to.

PART 2 – PRODUCTS

2.01 Supply most current version of all products provided.

- A. Manufacturer shall have five (5) years of experience and history manufacturing similar products to those specified.
- B. Proposed components shall have been field tested and proven in actual use.
- C. Prior and/or old versions of products, unless specifically approved and documented by Architect and/or District shall not be acceptable.
- D. In cases where a newer version of hardware or software is available at the time of installation, Contractor shall request clarification from Architect on which version is to be used.

2.02 Furnish only new, first-class quality materials and equipment.

2.03 Administration access shall be protected by unique and secure log on.

2.04 In the event of a power failure, complete system shall automatically re-initialize and "become active" to the last configuration in use with no human intervention.

2.05 Acceptable Manufacturers (in alphabetical order)

- A. LIEBERT/VERTIV
 - 1. Uninterruptable Power Supply (UPS): GXT5-2000LVRT2UXL
 - 2. Power Distribution Unit (PDU): PDU-VP8930
- B. Or Equivalent as approved by the District.

2.06 UNINTERRUPTABLE POWER SUPPLIES (UPS) UNITS -TYPE B

- A. Line Interactive Uninterruptable Power Supplies shall be provided and installed in locations identified in new MDF/IDF locations as shown in Appendix A, meeting or exceed the following required feature sets, specifications, and/or standards:
 - 1. 2000VA/1800W Capacity
 - 2. Each unit shall include specific rack mount kit
 - 3. Each unit shall include one (1) Vertiv-RDU101 Communications Card
 - 4. Each unit shall include one (1) Vertiv-A2D-10 Environmental (Closure) Sensor
 - 5. Each unit shall include one (1) Vertiv-FS-15 Environmental (Flood) Sensor
 - 6. Each unit shall include one (1) Vertiv-GTHD Environmental (Temp./ Humidity) Sensor
 - 7. Each unit shall include one (1) Vertiv-SP-5 Environmental Accessory
 - 8. Units shall protect all active components from power surges, sags, and/or spikes in the power system.
- B. Each unit shall attach to the District's existing Ethernet network using standard 10/100/1000 port and provide alerting and management tools.
- C. Where individual units cannot be installed in the District racks, units shall be securely and permanently mounted on walls in communication closets by Contractor. Contractor shall supply all materials and labor for a safe, secure, and permanent wall mounting of UPS unit adjacent to wall mounted communication cabinet or rack.
- D. UPS equipment shall be SNMP manageable and be connected to a dedicated Ethernet port in each wire center (IDF/MDF).
- E. UPS equipment shall be installed and mounted as space, location details, and District standards dictate.
- F. Input connection shall be NEMA 5-20P
- G. Full UPS monitoring and management software shall be included providing, but not limited to, the following features:
 - 1. Battery Condition
 - 2. Power Quality
 - 3. All other features currently a part of the manufacturer's latest commercial release.

2.07 POWER DISTRIBUTION UNITS (PDU)

- A. Power Distribution Units (PDU) shall be provided and installed in new MDF/IDF locations identified in Appendix A; meeting or exceed the following required feature sets, specifications, and/or standards:
 - 1. 1.9kW/20A/120V
 - 2. Outlet level control to turn on, off, or reboot individual outlets.
 - 3. Remote current metering and monitoring of connected loads.
 - 4. Each unit shall include specific rack mount kit.
 - 5. Unit shall provide capability to remotely reboot outlets to power cycle unresponsive IT equipment or increase runtime of critical equipment upon power failure with outlet-level control.
- B. PDU equipment shall be SNMP manageable and be connected to a dedicated

- Ethernet port in each wire center (IDF/MDF).
- C. PDU equipment shall be installed and mounted as space, location details, and District standards dictate.
- D. Input connection shall be NEMA 5-20P

PART 3 – EXECUTION

3.01 PREPARATION

- A. Contractor shall conduct detailed system overview and examination with Architect verifying equipment and material locations as well as mounting and placement requirements prior to commencement of other installation activities.
- B. Contractor shall ensure all submittals and shop drawings have been provided to, and approval has been obtained from Architect prior to commencement of any final installation activities.

3.02 DEMOLITION

- A. NOT USED.

3.03 INSTALLATION

- A. Contractor shall coordinate the installation of uninterruptable power supply (UPS) and power distribution unit (PDU) with the construction completion of the new MDF/IDF space(s), and ahead of or in conjunction with the networking electronics installation.
- B. Contractor shall conduct a pre-installation walkthrough of all IT closet locations to prepare for existing mounting condition.
- C. Work areas shall be cleaned at the end of each day. All debris shall be cleared, removed, and disposed of in an approved container for the site.
- D. Contractor shall conduct an initial programming meeting with the District to review content available and planned, as well as establish schedule for project completion.
- E. Contractor shall be familiar with the environment where work will be done as specified herein and make every reasonable effort to minimize interference with the District's or other contractor's activities.
- F. Each UPS/PDU device shall be connected to central equipment using standard category 6 ethernet cabling provided by Contractor. Contractor shall supply ethernet patch cables at both the closet and device location for each UPS/PDU device to the District provided network equipment, cable shall not exceed 15' in length. Cable color shall be coordinated with District standards, as described in section 27-21-00/ 2.02.
 - 1. Contractor shall be responsible for cross connecting UPS equipment in data closet and reporting back switch and switch port locations to the District for programming.
- G. The Contractor shall furnish, set in place, and install all equipment necessary for a fully compliant and operational system as specified herein. Such materials shall include all items necessary for full and final operation of the system. The installation process includes, but is not limited to the following:
 - 1. Inventory receipt of all components and equipment.

2. Storage of all equipment and components until such time those items are installed according to the specifications.
 3. Transport equipment to the District's installation location(s).
 4. Assemble, install, configure, and test all equipment and components, maintaining accurate inventory records and status documents and discarding packaging.
 5. Collect all information necessary to accurately program all system devices to the District's intended use and need.
- H. It shall be the responsibility of the Contractor to repair or replace any damage done to the structure of finishes in the building by the Contractor. If in the course of work, Contractor damages, marks, or misplaces any surfaces or access plates/panels the Contractor shall repair and/or replace the surface, plate, or panel to the original condition.
- I. Worksites include the following:
- J. Sites of Work:
1. Southeastern High School
3030 Fairview St, Detroit, MI 48214

3.04 TESTING

- A. In an effort to ensure a smooth "turn-up" of the new system Contractor shall submit to a thorough testing process as defined herein prior to cut over.
- B. Prior to requesting testing by the District, the Contractor shall use adequate means to assure the work is completed in accordance with the specified requirements, meets the District's specific application requirements and is ready for functionality and integrity testing.
- C. Testing Procedures
1. Prior to system "turn-up," Contractor shall submit a written request to Architect indicating they have completed full and final configuration of the system and are ready to have system integrity and functionality tested.
 2. Within reasonable time after receipt of request, Architect will provide a test schedule and coordinate testing date(s) with the District and Contractor.
 3. Should Architect determine the Work is not acceptably configured or not of adequate integrity:
 - a. Architect promptly will so notify Contractor, giving reasons therefore and providing sufficient details to allow Contractor to make corrective actions.
 - b. Contractor shall then expeditiously remedy the deficiencies and notify Architect in writing when ready for re-testing.
 - c. Architect will schedule re-test of the Work.
 - d. Excessive re-testing of Work may result in fees being assessed Contractor.
 4. Should Architect and District concur the Work is configured properly, and system integrity is as required:
 - a. Architect will review Contractors detailed "turn-up" plan, and upon finding it acceptable issue a memorandum of Testing Completion to the District and Contractor after which system "turn-up" can proceed.

3.05 DOCUMENTATION

- A. Contractor shall provide the District as-built drawings and manuals of all equipment installed, warranty and maintenance information and other information the Contractor, Architect and/or District deem necessary. Documentation shall also be provided in a digital format in file formats and on media as specified by the District and/or Architect.

- B. Contractor shall be responsible for providing thorough, timely documentation on all hardware, software. Documentation shall include, but not be limited to:
 - 1. Equipment description.
 - 2. Equipment make.
 - 3. Model number.
 - 4. Software release.
 - 5. Date installed.
 - 6. Manufacturer's warranty.
 - 7. Maintenance contract terms.
 - 8. Verification of maintenance contract engagement.
 - 9. Telephone numbers for service and support.
 - 10. Detailed technical support and service procedure instructions.
 - 11. All product (hardware and software) manuals and manufacturer supplied documentation, including, but not limited to District manuals, system administrator manuals and configuration guides. Where number of duplicate copies for particular manual or documentation item could be reasonably considered excessive, Contractor shall request direction from the District and Architect.
 - 12. Photocopy of original invoice listing make and model for all components and equipment from individual manufacturer(s), distribution source(s), or authorized agent(s) to establish manufacturer warranty start date for potential use after end of contract warranty provisions.
 - 13. System Configuration Report.
 - 14. Complete inventory of installed hardware and system software. Hardware inventory shall include, but not be limited to, model numbers, serial number, physical installation location and software/firmware options.
 - 15. Complete record of all system and administrative passwords for full operation and administration of all system components and operations.

3.06 TRAINING

- A. NOT USED

3.01 SCHEDULE, MEETINGS AND PLANS

- A. Schedule

- 1. Work Commences: April 1, 2025
- 2. Substantial Completion of Project: July 1, 2025

3. Project Close-out: August 1, 2025

- B. Sequence of operations shall be established by the Contractor within the guidelines established by the District, documented herein, required by Architect/Engineer, Architect, and/or Construction Manager, and as required to meet schedule.
- C. Contractors shall attend all construction progress meetings as may be required by Construction Manager and the District. Such meetings shall aid in coordination and scheduling for field work and be held at the convenience of the Construction Manager.

Bid Category 27 13 23- Fiber Optic Cabling

Part 1 - General

1.01 DESCRIPTION OF PROJECT

- A. Work described in this specification section pertains to fiber optic network backbone installation of the Detroit Public Schools Community District private fiber optic network infrastructure.

1.02 WORK INCLUDED

- A. Work includes, but is not limited to, the following:
- B. A single indoor/ outdoor rated six (6) strand OM3 50 micron armored (MMF) fiber optic cable installed between existing MDF/IDF and newly constructed IDF identified in this document and in provided on Appendix A for which work is included as indicated herein.
- C. New Multi-Mode fiber optic cables shall be terminated on Contractor supplied enclosure shelf (Optical Fiber Interconnecting Unit - LIU) with LC connectors.
- D. All 6 strands are to be terminated and tested.
- E. Connectors and couplers.
- F. Adequate cable support in existing or new raceway system as may be required for efficient and effective cable routing.
- G. Rack mounted termination enclosure shelves.
- H. Storage Loops
 - 1. Installed prior to cable entry to cabinet or rack where termination is completed with fifteen (15) feet of stored cable.

1.03 The Contractor shall design, engineer, supply, connect, test, document, train the District representatives and warrant fully operational and compliant backbone fiber network connections, complete as specified herein.

1.04 Contractor shall coordinate their installation with other communication systems, contractors, and the District as is appropriate.

1.05 DRAWINGS

- A. Drawings show the location and general arrangement of equipment, systems, and related items. They shall be followed as closely as elements of construction permit.
- B. Examine drawings of other trades and verify conditions of work sites. Arrange work accordingly.
- C. Deviations from drawings, with the exception of minor changes in routing and other such incidental changes not affecting functionality or serviceability of systems, shall not be made without written approval of Architect/Engineer.

1.06 REFERENCE STANDARDS

- A. All work, products, and materials shall conform with the following standards as applicable for the intended use:

1. ANSI
2. NFPA
3. EIA/TIA Commercial and Administration Standards
4. NEC
5. BICSI
6. UL
7. MOSHA Safety Standards
8. IEC
9. IEEE

1.07 WARRANTY

- A. Complete installation shall be free from defect and/or failure for a period of fifteen (15) years. Any replacement, upgrade, or fix, including labor for any non-conforming or non-operational part of the system shall be fixed and/or replaced at no cost to the District
- B. Manufacturer's warranty shall be provided for all components of the system.
 1. Any paperwork and/or submittals required by individual manufacturers for compliance with the standard and/or applicable extended warranty programs shall be provided and submitted for approval by the Contractor.
 2. Contractor shall submit all paperwork, apply for warranty or extended warranty certification, and provide a Certificate of Warranty or Extended Warranty as may be applicable from the manufacturer prior to project closeout.
- C. On site services provided under the warranty shall be performed by personnel or representatives of Contractor as herein defined and located within physical proximity to provide response levels deemed acceptable to the District. Contractor shall provide response times for all malfunctioning equipment of two (2) business days or less.
 1. Response time shall be measured from the time Contractor is notified by the District to the time work is begun to resolve the matter
- D. System Warranty shall commence on date of substantial completion as certified by the District and provided for herein. Delivery to work site of materials, physical removal from packaging, issuance of Contractor documents including, but not limited to invoices and/or packing slips, or any event or documentation, not specifically provided for herein, shall have no effect on Warranty or System Acceptance by the District.

1.08 STORAGE OF MATERIALS

- A. All materials shall be secured when not in use by the Contractor.
- B. It shall be the Contractor's responsibility to secure all equipment including material to be installed as part of the contract. No changes shall be made to the contract due to loss or theft of equipment and/or materials not officially accepted by the District.
- C. Formal receipt of the materials shall not be completed by the District until completion of project closeout. The Contractor shall be responsible for all equipment until time of closeout as provided for herein.

1.09 SUBMITTALS

- A. Submittals shall consist of, but not be limited to, technical cut sheets and detailed information pamphlets on all components of the system to be installed. All cut sheets and submittals shall be distinctly marked to highlight the actual part number of the item being submitted for approval with Bid.
- B. Shop drawings and diagrams shall be submitted by Bidder for approval by the District with Bid.
 - 1. Shop drawings and diagrams shall show all data relating to structural, electrical, wiring, cross connect, interconnect, equipment arrangement/layout, and any other information deemed significant by the District.
 - 2. No work constituting final installation shall be commenced until after approval of shop drawings by the District.
- C. Equipment or material installed for this project that does not have an approved submittal associated with it will be removed and replaced with acceptable equipment or material as defined by the District. All replacement costs including, but not limited to material and labor, shall be the sole responsibility of the Contractor.
 - 1. The District may notify Contractor of any offending situations under this provision allowing Contractor up to forty-eight (48) hours to correct the situation prior to taking other corrective action.
 - 2. The District reserves the right to replace unapproved materials and deduct the costs of doing so as defined herein from any amounts that may be due or become due Contractor.
- D. The Contractor shall submit within five (5) calendar days after the Notice to Proceed, a schedule that reflects the sequence of activities of the contractor's approach to the execution of and completion of the work. The schedule shall be broken into work areas to provide for a clear identification of the planned progress of the work. Included in the schedule will be a list of tasks with list of deliverables and the percentage of work completed. This schedule shall coincide with progress payments applications dates and projected amounts. All durations shown will be in working days. Microsoft Project is the software of choice for this schedule. The timeframe described in the Contractor's Schedule shall represent the Contractor's plan for organizing, directing, managing, controlling, staffing, and executing the work required by the Contract Documents. The district will rely on such schedules to coordinate and otherwise plan the work of the District, other separate contractors, or the District's routine daily work.
- E. Determination of acceptance of proposed equal equipment is at the sole discretion of the District.

1.10 CONTRACTOR

- A. The Contractor shall accept complete responsibility for the installation, certification, and support of the system. Contractor shall be an authorized vendor of all major components.
- B. All work shall be performed and supervised by Project Managers, Engineers and/or Technicians who are qualified to install Fiber Optic Communication System Components and perform related tests as recommended by the manufacturer and in

- accordance with the manufacturer's best practices and methods.
- C. Project Managers, Engineers and Technicians employed on this project shall be properly and fully trained and qualified by the manufacturer in the installation and testing of the equipment and systems to be installed.
 - D. The Contractor shall have a proven track record in Fiber Optic Cable Network configuration and installation. This must be shown by the inclusion of references of at least three (3) projects involving the installation of similar systems completed by the Contractor in the prior two (2) years on unaltered forms with the sealed Bid as provided herein.

PART 2 - PRODUCTS

2.01 MANUFACTURERS

- A. Manufacturer of major components of the Fiber Optic Network shall be a known and leading entity in the cabling and/or connector field, and shall have been designing, manufacturing, and installing similar components for a period of no less than four (4) years.
- B. Acceptable Manufacturers (In alphabetical order):
 - 1. Corning
 - 2. Panduit
 - 3. Hubbell
- C. Network shall be constructed using industry standards and as specified herein.
- D. Contractor shall provide all dielectric fiber optic cable and termination components. All provided and installed fiber components shall comply with ANSI/TIA/EIA 568C specifications.
- E. All fiber optic cables shall meet or exceed the following specifications or performance requirements:
 - 1. Installed cable shall be multi-mode graded index glass fiber.
 - 2. Any armored cable installed, as provided for, shall be appropriately grounded.
 - 3. All materials in the cable are to be dielectric (excepting the armor if used in lieu of specified innerduct as provided for herein).
 - 4. Fiber shall be OM3 50 micron compliant
 - 5. EIA/TIA – 598 color coding for fiber optic cable
 - 6. Indoor plenum rated
 - 7. Capable of bend radius as small as 20 x outside cable diameter (under installation load) and 10 x outside cable diameter (long term load).
- F. All indicated fibers shall be terminated on high quality IEC 61754 compliant LC connectors at MDF/ IDF locations. Total optical attenuation through the cross connect from any terminated fiber to any other terminated fiber shall not exceed .5 dB. All optical fiber shall be handled, installed, and supported as per manufacturer recommendations.

2.02 Contractor shall supply new fiber patch cables for MDF and IDF locations.

- A. Three (3) – 1-meter, OS1 LC to LC single mode fiber patch cables shall be provided at each new MDF/ IDF location for connection to the District provided network equipment.

- B. Three (3) – 3-meter, OS1 LC to LC single mode fiber patch cables shall be provided at each new MDF/ IDF location for connection to the District provided network equipment.
- 2.03 Contractor shall provide termination shelves to support newly installed optical fiber. Fiber termination shelves shall meet or exceed the following specifications:
- A. Rack mountable - 1U
 - 1. Where fiber densities are greater than can be accommodated in 1U, larger enclosures will be permitted.
 - B. Provide security and protection.
 - C. Be accessible from both front and rear.
 - D. Provide adequate strain relief for cables.
- 2.04 Contractor shall supply non-metallic flexible innerduct for all fiber optic paths and install provided cabling within. Armored cable will be considered equivalent in lieu of fiber optic cabling with innerduct. All other specifications identified herein will still be required.
- 2.05 Supply most current version of all products provided.
- A. Prior and/or old versions of products, unless specifically approved and documented by the District shall not be acceptable.
 - B. In cases where a newer version of hardware or software is available at the time of installation, Contractor shall request clarification from the District on which version is to be used.
 - C. Furnish only new, first-class quality materials and equipment.
 - D. System shall be comprised of interoperable components.

PART 3 – EXECUTION

3.01 PREPARATION

- A. Contractor shall conduct detailed project walk-through examination with the District verifying routing and configuration for equipment and material locations as well as mounting and placement requirements prior to commencement of other installation activities.
- B. Contractor shall ensure all submittals and shop drawings have been provided to, and approval has been obtained from the District prior to commencement of any final installation activities.

3.02 INSTALLATION

- A. Contractor shall be familiar with the environment where work will be done as specified herein.
- B. Work Areas shall be cleaned at the end of each day. All debris shall be cleared, removed, and disposed of in an approved container for the site. All equipment and tools shall be removed from common areas and stored in approved, secure storage locations. Any work that may impede the general use of the space and cannot be removed shall be flagged and cordoned off by the Contractor prior to their

departure.

- C. All equipment and materials shall be installed in a neat and workmanlike manner. Best practices installation principles shall be used throughout the project.
- D. Work shall be conducted during hours when network disruptions created by intentional or unintentional efforts by Contractor will not impact normal District operations.
 - 1. Where work takes place in existing campus, work shall be conducted during second or third shift, weekends, and other times the District is not conducting normal operations.
 - 2. Where work takes place in new construction area, work shall be conducted in coordination with the construction manager and construction schedule.
 - 3. Special provisions may be, at the District's sole discretion, made from time to time to allow work to be conducted during hours outside those listed above.
- E. The Contractor shall furnish, set in place, and install all equipment necessary for a fully compliant and operational system as specified herein. The installation process includes, but is not limited to the following:
 - 1. Inventory receipt of all components and equipment.
 - 2. Storage of all equipment and components until such time those items are installed according to the specifications.
 - 3. Transport equipment to the District's installation location(s).
 - 4. Assemble, install, configure, and test all equipment and components, maintaining accurate inventory records and status documents and discarding packaging.
 - 5. Work shall be performed to meet local codes and industry standards, including, but not limited to:
 - a. Adequate electrical and lightning protection.
 - b. Grounding and Bonding.
 - c. Contractor shall properly restore all areas affected by the installation of conduit/backbone cabling.
 - d. All interior cable installed shall be installed in one inch (1") PVC yellow colored fiber optic inner duct with suitable couplings when joining ends of inner duct.
- 1. Alternately, fiber optic cable may be armored cable with yellow colored exterior. If used, armored cable shall be properly and neatly terminated with armor properly grounded and finished at all end points of the link per the manufacturer installation guides.
 - a. All exterior cable installed shall be armored. Armored cable shall be properly and neatly terminated with armor properly grounded and finished at all end point of the link per manufacturer installation guidelines.
 - b. Contractor shall install spider fan-out kits on fiber optic cable prior to termination.
 - c. All fiber optic cables shall be terminated on fiber optic LC connectors on rack mounted patch panels provided by contractor.
 - d. All fiber optic cable terminations shall be clearly labeled at each end with computer generated labels, designations as approved by the District.
- 2. Labeling should be consistent in all buildings and carefully coordinated

with the District.

- a. Contractor shall be responsible for all required coring. All cores are to be fitted with sleeves, bushings, and fire stopping and must comply with EIA/TIA standards.
 - b. Ramset anchors shall NOT be allowed in any locations with precast concrete. Drilled anchors should be used only.
 - c. Any firewall penetrated to facilitate the routing of communication wiring shall be fire stopped using approved methods as outlined in the current National Electric Code (NEC) and all applicable State, County and Local ordinances.
 - d. Where cable tray or raceway is not provided Contractor shall provide and install cable supports of intervals not more than five (5) feet.
 - e. Cables shall not be laid on ceiling grid structure or any structure not specifically designed to support cable.
- F. Contractor shall be responsible for ensuring cable and components are not damaged during installation and the manufacturer's recommended pulling ratings are not exceeded.
- G. It shall be the responsibility of the Contractor to repair or replace any damage done to the structure of finishes in the building by the Contractor. If, in the course of work, Contractor damages, marks, or misplaces any surfaces or access plates/panels the Contractor shall repair and/or replace the surface, plate or panel to the original condition.
1. Final determination as to the damage condition and/or repair/replacement fitness of any surface, plate or panel shall be the sole responsibility of the District.
 2. The building and work area shall be returned to its original condition prior to final sign off of the project.

3.03 TESTING

- A. All fiber optic cable shall be factory tested on a reel basis with performance data for each cable supplied to the District.
1. Tests shall be conducted at both 1310nm and 1550nm wavelengths utilizing an Optical Time Domain Reflectometer (OTDR). Attenuation will be recorded for each fiber.
 2. Continuity testing shall be performed on each fiber of each cable reel prior to installation.
- B. Contractor shall review all end faces of field terminated connectors with a fiber inspection scope following final polish. Connector end faces with hackles, scratches, cracks, chips, and/or surface pitting shall be rejected and re-polished or replaced if re-polishing will not remove defects. The minimum viewing magnification for connector end inspections shall be 200x.
- C. Contractor shall conduct and document OTDR traces from head end location(s) for baseline documentation on each strand.
- D. All fiber optic cable (system) shall be tested in both directions by Contractor following installation, and prior to acceptance.
- E. All fiber optic strands shall be tested end-to-end for bi-directional attenuation, 1310 nm / 1550 nm. Tests shall be conducted in compliance with EIA/TIA-526-14 or

OFSTP 14, Method B and according to the manufacturer's instructions for the test set being utilized.

- F. Tests must certify the measured link loss for each strand does not exceed the "worst case" allowable loss defined as the sum of connector loss (based on the number of mated connector pairs at EIA/TIA-568B maximum allowable loss of .75 dB per mated pair) and optical loss (based on the performance standard specified herein).
 - 1. The maximum allowable attenuation for any splice or termination is 0.3 dB.
 - 2. Contractor shall perform Optical Test Set consisting of an Optical Source (transmitter) and Optical Meter (receiver) to determine end-to-end attenuation and fiber length. All testing will be done in accordance with EIA/TIA 526-14.
 - 3. The procedure shall be completed in three steps.
 - a. Reference set-up
 - b. Jumper test
 - c. Standard test
 - 4. Final test shall be the successful operation of the network utilizing the transfer of at least one ten-megabyte (10Mb) file from computers located in each building to and from a computer located at the other end of each link. All pairs of fiber shall be tested in this step.
 - 5. Test results shall be submitted on both 8.5" x 11" paper and a USB formatted to be read by a standard Windows 10 workstation.
- G. Upon receipt of test documentation, the District shall verify particular and specific test results by means of independent re-testing.
 - 1. Prior to submitting testing to the District, contractor shall use adequate means to assure the work is completed in accordance with the specified requirements, meets the District's specific application requirements.

3.04 DOCUMENTATION

- A. Contractor shall be responsible for providing thorough, timely documentation on all hardware, software. Documentation shall include, but not be limited to:
 - 1. Equipment description.
 - 2. Manufacturer's warranty.
 - 3. Maintenance contract terms.
 - 4. Verification of maintenance contract engagement.
 - 5. Telephone numbers for service and support.
 - 6. Detailed technical support and service procedure instructions.
 - 7. All product (hardware and software) manuals and manufacturer supplied documentation, including, but not limited to, the District manuals, system administrator manuals and configuration guides. Where number of duplicate copies for particular manual or documentation item could be reasonably considered excessive, Contractor shall request direction from the District.
 - 8. Photocopy of original invoice listing make and model for all material components and equipment from individual manufacturer(s), distribution source(s), or authorized agent(s) to establish manufacturer warranty start date for potential use after end of contract warranty provisions.
 - 9. CAD as built drawings for each building.

3.05 TRAINING

- A. Not Used

3.06 SCHEDULE, MEETINGS AND PLANS

A. Schedule

1. Work Commences: April 1, 2025
2. Substantial Completion of Project: July 1, 2025
3. Project Close-out: August 1, 2025

- B. Sequence of operations shall be established by the Contractor within the guidelines established by the District, documented herein, required by Architect/Engineer, Architect, and/or Construction Manager, and as required to meet schedule.

- C. Contractor shall attend all construction progress meetings as may be required by Construction Manager and the District. Such meetings shall aid in coordination and scheduling for field work and be held at the convenience of the Construction Manager.

Bid Category 27 13 23- Low Voltage Cabling

PART 1 - GENERAL

1.01 DESCRIPTION OF PROJECT

- A. Work described in this specification section pertains to structured cabling to support various types and styles of communications systems. The District expects structured cable system shall be used to provide connectivity for their new high school addition, as indicated and as specified herein.
- B. Structured cable system shall be compliant with EIA/TIA 568B.
- C. The Contractor shall configure, supply, install, connect, test, document and train the District representatives and warrant a fully operational and compliant communications transport system, complete and with full functionality as specified herein including, but not limited to:
 - 1. Cables
 - 2. Jacks
 - 3. Cable support hardware
 - 4. Communication distribution racks
 - 5. Cross connect blocks and devices
- D. Contractor shall coordinate their installation with other contractors, Architect, Construction Manager, Architect/Engineer, and the District as is appropriate.

1.02 DRAWINGS

- A. Drawings show the location and general arrangement of equipment, systems, and related items. They shall be followed as closely as elements of construction permit.
- B. Examine drawings of other trades and verify conditions of work sites. Arrange work accordingly.
- C. Deviations from drawings, with the exception of minor changes in routing and other such incidental changes not affecting functionality or serviceability of systems, shall not be made without written approval of Architect/Engineer.

1.03 WARRANTY

- A. Complete installation shall be free from defect and/or failure for a period of fifteen (15) years. Any replacement, upgrade, or fix, including labor for any non-conforming or non-operational part of the system shall be fixed and/or replaced at no cost to the District.
- B. The manufacturer's warranty shall be provided for all components of the system.
 - 1. Any paperwork and/or submittals required by individual manufacturers for compliance with the standard and/or applicable extended warranty programs shall be provided and submitted for approval by the Contractor.
 - 2. Contractor shall submit all paperwork, apply for warranty or extended warranty certification, and provide a Certificate of Warranty or Extended Warranty as may be applicable from the manufacturer prior to project closeout.
- C. On site services provided under the warranty shall be performed by personnel or representatives of Contractor as herein defined and located within physical proximity to provide response levels deemed acceptable to the District.

1. Contractor shall provide response times for all malfunctioning equipment of two (2) business days or less.
2. Response time shall be measured from the time Contractor is notified by the District to the time work is begun to resolve the matter.

1.04 SUBMITTALS

- A. Submittals shall consist of technical cut sheets and information pamphlets on all components of the system to be installed. All cut sheets and submittals shall be distinctly marked to highlight the actual part number of the item being submitted for approval.
- B. Equipment or material installed for this project that does not have an approved submittal associated with it, shall be removed, and replaced with acceptable equipment or material as defined by the Architect/Engineer. All replacement costs including, but not limited to material and labor, shall be the sole responsibility of the Contractor.
 1. The District and/or Architect/Engineer may notify Contractor of any offending situations under this provision allowing Contractor up to forty-eight (48) hours to correct the situation prior to taking other corrective action.
 2. The District reserves the right to replace unapproved materials and deduct the costs of doing so as defined herein from any amounts that may be due or become due Contractor.
- C. Shop drawings and diagrams shall be submitted by Bidder for approval by Architect/Engineer with Bids.
 1. Shop drawings and diagrams shall show all data relating to structural, electrical, wiring, cross connect, interconnect, equipment arrangement/layout, and any other information deemed significant by the Architect/Engineer.
 2. No work constituting final installation shall be commenced until after approval of shop drawings by Architect/Engineer.

1.05 REFERENCE STANDARDS

- A. All work, products, and materials shall conform with the following standards as applicable for the intended use:
 1. ANSI/NFPA
 2. EIA/TIA Commercial and Administration Standards
 3. NECA
 4. BICSI
 5. UL
 6. MOSHA Safety Standards

1.06 CONTRACTOR

- A. The Contractor shall accept complete responsibility for the installation, certification, and support of the system. Contractor shall provide proof of manufacturer support by photocopy of certification and letter of support from major component manufacturers for this specific project. Contractor shall be an

authorized vendor of all major components.

- B. All work shall be performed and supervised by Project Managers, Engineers and/or Technicians who are qualified to install system and perform related tests as recommended by the manufacturer and in accordance with the manufacturer's best practices and methods.
- C. Project Managers, Engineers, and Technicians employed on this project shall be properly and fully trained and qualified by the manufacturer in the installation and testing of the equipment and systems to be installed. Certification of such training shall promptly be provided if requested by Architect/Engineer.
- D. The Contractor shall have a proven track record in structured cable configuration and installation. This must be shown by the inclusion of references of at least three (3) projects involving the installation of similar systems completed by the Contractor in the prior two (2) years on unaltered forms with the sealed Bid as provided herein.

PART 2 - PRODUCTS

2.01 MANUFACTURERS

- A. Manufacturer(s) of major components of the structured cable system shall be a known and leading entities in the communications field, and shall have been designing, manufacturing, and installing similar systems for a period of no less than four (4) years.
- B. Acceptable Manufacturers (In alphabetical order):
 - 1. Superior Essex
- C. System shall be built upon an open and standard platform, supporting industry standards. Systems that are deemed Proprietary in nature shall not be considered.

2.02 COPPER CABLE

- A. Station Cable shall meet or exceed:
 - 1. Four (4) pair Category 6 Unshielded Twisted Pair (UTP) cable.
 - 2. Rated and certified for installation in plenum air return spaces as may be required.
 - 3. Twenty-three (23) AWG
 - 4. Compliant as per EIA/TIA-568 specifications
 - 5. Certified under UL's LAN Cable Certification Program
- B. All cables shall be terminated for T568B compliant connection.
- C. Coordinate cable color(s) with the District requirements as shown below:

Cable Color:

Blue - Data cabling for user devices including phones

Yellow - Wireless access points

Green - Physical security devices including cameras

Purple - PA System devices including clocks, speakers, and message boards

2.03 CROSS CONNECT EQUIPMENT

- A. Cross Connect Equipment shall meet or exceed:
1. Patch Panel for UTP Category 6 Cable Termination.
 - a. Rack mounted patch panels shall be of the Keystone snap in style. Rack mounted patch panels shall be Category 6 compliant, with T568B compliant terminations on front of panel and 110 type terminations on rear of panel.
 - b. Rack mounted patch panels shall be no larger than Forty-eight (48) ports each.
 - c. Newly installed cables of like color, as installed based on 27-21-00/ 2.02 shall be installed in patch panel(s) with like colored cables only.
 - d. All patch panel keystone openings shall be populated with the appropriate keystone insert, as outlined in 27-21-00/ 2.05, whether or not there is a cable terminated on the back of the keystone insert.
 2. Furnish and install smear resistant, mechanically imprinted polyester or similar material labels to identify each port of all patch panels (fiber optic and copper) in compliance with EIA/TIA 606 standards or the District's required scheme. Labels shall be permanently affixed to patch panels.
 3. Coordinate cable color per the District's requirements as noted herein.

2.04 WIRING DEVICES

- A. All station cable shall terminate on modular jacks that meet or exceed:
1. Category 6 compliant
 2. 8 position T568B compliant modular female jack.
 3. Snap-in, high impact housing
 4. Field verify, and coordinate insert color to match the District requirements.
 5. Field verify and coordinate plates and/or outlet frame colors and materials to coordinate with electrical devices and the District requirements as noted herein.
 6. Where station cable is to terminate above finished ceiling or behind a finished wall for cameras, speakers, or other special station devices, modular jack may be surface mounted in appropriate high strength, impact resistant plastic enclosure.
 7. Furnish and install matching coordinating blank cover plates for all unused

communications outlets indicated on drawings.

8. Mount flush plates so all four edges are in continuous contact with finished surfaces.
9. Furnish and install smear resistant, mechanically imprinted polyester or similar material labels to identify each port of all patch panels (fiber optic and copper) in compliance with EIA/TIA 606 standards or the District's required scheme. Labels shall be permanently affixed to patch panels.

2.05 DISTRICT STANDARDS

- A. Contractor shall provide connectors in a color to match the District's existing standards.
- B. Contractor shall provide cover plates, and any associated keystone inserts as may be required matching the District's existing standards.
 1. Stainless Steel cover plates.
 2. Keystone inserts (cat6 jacks) shall be colored to match the associated cabling, as outlined in 27-21-00/ 2.02.
- C. Contractor shall provide connector identification and labels on all terminations matching the District's existing standard. Field verify all label conditions per site prior to final installation.

2.06 ALLOWANCES

- A. Contractor shall include allowances for contract service reimbursements as required below in base bid lump sum amount(s).
 1. Allowance shall be made in the amount of \$7,500 for contract services for the District directed infrastructure upgrades.
- B. Contract services shall be provided and sourced at the District's discretion, direction, and convenience with full cooperation by Contractor, and paid for from successful bidder's contract in the amount(s) provided for herein.
- C. Any allowance amount proving to be excessive for the intended equipment and/or contract services

PART 3 - EXECUTION

3.01 PREPARATION

- A. Contractor shall conduct detailed walk-through examination with Architect/Engineer verifying equipment and material locations as well as mounting and placement requirements prior to commencement of other installation activities.
- B. Contractor shall ensure all submittals and shop drawings have been provided to, and approval has been obtained from Architect/Engineer prior to commencement of any final installation activities.

3.02 INSTALLATION

- A. Contractor shall be familiar with the environment where work shall be done as specified herein.
- B. Work Areas shall be cleaned at the end of each day. All debris shall be cleared,

removed, and disposed of in an approved container for the site. All equipment and tools shall be removed from common areas and stored in approved, secure storage locations. Any work that may impede the general use of the space and cannot be removed shall be flagged and cordoned off by the Contractor prior to their departure.

- C. All equipment and materials shall be installed in a neat and workmanlike manner. Best practices installation principles shall be used throughout the project.
- D. The Contractor shall furnish, set in place, and install all equipment necessary for a fully compliant and operational system as specified herein. The installation process includes, but is not limited to the following:
 - 1. Where work takes place on the existing campus, work shall be conducted during second or third shift, weekends, and other times the District is not conducting normal operations.
 - 2. Where work takes place in new construction area, work shall be conducted in coordination with the construction manager and construction schedule.
 - 3. Special provisions may be, at the District's sole discretion, made from time to time to allow work to be conducted during hours outside those listed above.
 - 4. Cables installed in a professional manner to prevent tangling and congestion and to facilitate installation or removal of cables in the future.
 - 5. Cables installed without kinks (any bend with a radius less than manufacturer defined minimum).
 - 6. All cable free of abrading or penetrating of cable jacketing.
 - 7. In suspended ceiling where cable trays or conduit are not available, Contractor shall support wiring with "D – rings," beam clamps or other approved cable support devices at appropriate distances (6 ft. minimum).
 - 8. All information outlets shall be labeled according to the District's cable identification scheme. Labels shall be completed using pre-printed labels. Handwritten labels are not acceptable.
 - 9. The Contractor shall label all cables, jacks, patch panel positions, faceplates and cross connects.
 - 10. In-line cable splicing shall not be permitted.
 - 11. Contractor shall provide 10' minimum service loop above accessible ceiling for each terminated cable in pole access for modular furniture to accommodate future changes.
 - 12. Length of each individual run of horizontal cable from the MDF/IDF to the information outlet shall not exceed 90 meters (295 ft.).
 - 13. IDF(s) and MDF locations have been identified in the drawings. The contractor shall calculate distances to ensure the adherence to the EIA/TIA 568 distance limitations. Contractor shall notify Architect/Engineer of cable length exceptions prior to installation in writing and request direction.
 - 14. All copper data cabling shall terminate on Category 6 compliant connectors. Approximately 10 ft. of Category 6 and/or fiber cabling shall be coiled and stored at each cable distribution center to accommodate future change.
 - 15. Wiring not installed in conduit shall not be routed within 18 inches of light fixture ballasts or within 36 inches of motors or transformers.
 - 16. Coordinate cable colors with the District requirements as noted herein.
 - 17. Contractor shall include any sleeves where wall penetrations are needed. Sleeves shall be a minimum of 2" diameter and sized for cable being

installed with a maximum fill rate of 25%. All installed sleeves shall be fully fire stopped with compliant fire stop material following cable installation.

18. Assemble, install, configure, and test all equipment and components, maintaining accurate inventory records and status documents and discarding packaging.
 19. All work shall be completed in strict compliance with applicable codes, manufacturer's recommendations, and industry best practices and standards.
 20. Work shall be performed to meet local codes and industry standards, including, but not limited to:
 - a. Grounding and Bonding.
- E. Sites of Work:
1. Southeastern High School
3030 Fairview St, Detroit, MI 48214
- F. Final determination as to the damage condition and/or repair/replacement fitness of any surface, plate or panel shall be the sole responsibility of the District.
- G. The building and work area shall be returned to its original condition prior to final sign off of the project.
- H. It shall be the responsibility of the Contractor to repair or replace any damage done to the structure of finishes in the building by the Contractor. If in the course of work, Contractor damages, marks, or misplaces any surfaces or access plates/panels the Contractor shall repair and/or replace the surface, plate, or panel to the original condition.

3.03 DOCUMENTATION

- A. Contractor shall be responsible for providing thorough, timely documentation. Documentation shall include, but not be limited to both printed and electronic copies of:
1. CAD as-built drawings of each building.
 2. Copper station cable test results.

3.04 TESTING

- A. End to end testing of UTP copper Category 6 cables shall be conducted at standard frequencies to meet or exceed referenced standards. 100% of all pairs shall be tested. Documentation of test results shall be provided including, but not limited to the following parameters:
1. Attenuation.
 2. Near End Cross Talk (NEXT).
 3. Signal to noise ratio.
 4. continuity
 5. Pair integrity
 6. EMI interference.
 7. Any cable that does not meet EIA/TIA 568 specifications shall be repaired or replaced at the Contractor's expense.
 8. Cable length.

3.05 TRAINING

- A. Not Used.

3.06 SCHEDULE, MEETINGS AND PLANS

- A. Schedule
 1. Work Commences: April 1, 2025
 2. Substantial Completion of Project: July 1, 2025
 3. Project Close-out: August 1, 2025
- B. Sequence of operations shall be established by the Contractor within the guidelines established by the District, documented herein, required by Architect/Engineer, Architect, and/or Construction Manager, and as required to meet schedule.
- C. Contractor shall attend all construction progress meetings as may be required by Construction Manager and the District. Such meetings shall aid in coordination and scheduling for field work and be held at the convenience of the Construction Manager.

1.01 DESCRIPTION OF PROJECT

- A. Work described in this specification section pertains to data cabinet enclosure(s) and related components, in new MDF/IDF locations in Detroit Public Schools Community District.
- B. Contractor shall coordinate their delivery and installation with other contractors and the District as is appropriate.

1.02 WARRANTY

- A. Complete installation shall be free from defect and/or failure for a period of three (3) years. Any replacement, upgrade, or fix, including labor for any non-conforming or non-operational part of the system shall be fixed and/or replaced at no cost to the District.
- B. Manufacturer's warranty and/or extended warranty shall be provided for all components of the system.
 - 1. Any documents and/or submittals required by individual manufacturers for compliance with the standard and/or applicable extended warranty programs shall be provided and submitted for approval by the Contractor.
 - 2. Contractor shall submit all documents, apply for warranty or extended warranty certification, and provide a Certificate of Warranty or Extended Warranty as may be applicable from the manufacturer prior to project closeout.
- C. On-site services provided under the warranty shall be performed by personnel or representatives of Contractor as herein defined and located within physical proximity to provide response levels deemed acceptable to the District.
- D. System Warranty shall commence on date of substantial completion as certified by the District and provided for herein. Delivery to work site of materials, physical removal from packaging, issuance of Contractor documents including, but not limited to invoices and/or packing slips, or any event or documentation, not specifically provided for herein, shall have no effect on Warranty or System Acceptance by the District.

1.03 STORAGE OF MATERIALS

- A. All materials shall be secured when not in use by the Contractor.
- B. It shall be the Contractor's responsibility to secure all equipment including material to be installed as part of the contract. No changes shall be made to the contract due to loss or theft of equipment and/or materials not officially accepted by the District.
- C. Formal receipt of the materials shall not be completed by the District until completion of project closeout. The Contractor shall be responsible for all equipment until time of closeout as provided for herein.

1.04 SUBMITTALS

- A. Submittals shall consist of, but not be limited to, technical cut sheets and detailed information pamphlets on all components of the system to be installed. All cut sheets and submittals shall be distinctly marked to highlight the actual part number of the item being submitted for approval with Bid.
- B. Shop drawings and diagrams shall be submitted by Bidder for approval by the District with Bid.
 - 1. Shop drawings and diagrams shall show all data relating to structural, electrical, wiring, cross connect, interconnect, equipment arrangement/layout, and any other information deemed significant by the District.
 - 2. No work constituting final installation shall be commenced until after approval of shop drawings by the District.
- C. Equipment or material installed for this project that does not have an approved submittal associated with it will be removed and replaced with acceptable equipment or material as defined by the District. All replacement costs including, but not limited to material and labor, shall be the sole responsibility of the Contractor.
 - 1. The District may notify the contractor of any offending situations under this provision allowing Contractor up to forty-eight (48) hours to correct the situation prior to taking other corrective action.
 - 2. The District reserves the right to replace unapproved materials and deduct the costs of doing so as defined herein from any amounts that may be due or become due Contractor.
- D. The Contractor shall submit within ten (10) calendar days after the Notice to Proceed, a schedule that reflects the sequence of activities of the contractor's approach to the execution of and completion of the work. The schedule shall be broken into work areas to provide for a clear identification of the planned progress of the work. Included in the schedule will be a list of tasks with list of deliverables and the percentage of work completed. This schedule shall coincide with progress payments applications dates and projected amounts. All durations shown will be in working days. The timeframe described in the Contractor's Schedule shall represent the Contractor's plan for organizing, directing, managing, controlling, staffing, and executing the work required by the Contract Documents. The District will rely on such schedules to coordinate and otherwise plan related work of District personnel, other separate contractors, or the District's routine daily work.

1.05 REFERENCE SPECIFICATIONS

- A. All work, products, and materials shall conform with the following standards as applicable for the intended use:
 - 1. IEEE

I.01 Type of Contract

This will be a fixed type Contract. Unless the parties otherwise agree in writing, the fixed prices agreed upon by the parties will remain fixed for the duration of the Contract, including any extensions thereof.

I.02 Term of Contract

This Contract is for the period as outlined in Section A, Item 5 of this contract, subject to extension as set forth in Section I.03 below and suspension and termination as set forth in Sections I.38 and I.39 below.

I.03 Option to Extend the Term of the Contract

1. The District has the option to extend this Contract. The District may exercise its option to extend the term of this Contract by written notice to the Supplier. If feasible, the District shall give the Supplier a preliminary written notice of its intent to extend at least thirty (30) days before the expiration of the base term and any renewal term. The preliminary notice does not commit the District, and any absence of notice shall not affect the validity of any exercise of the option to extend this Contract. The District's exercise of its option to extend shall not be deemed a waiver of any claims under this Contract.
2. Any extension shall be in writing signed by the parties.

I.04 Availability of Funds (Multi-Year)

Funds are presently available for performance under this Contract. The District's obligation for performance of this Contract beyond the current fiscal year is contingent upon the availability of authorized funds from the District. No legal liability on the part of the District for any payment may arise for performance under this Contract, until the Supplier receives notice of such availability of funds or notice to proceed, in writing, from the Executive Director of Procurement.

I.05 Holidays:

Contractors, contracted workers, vendors, suppliers, and/or sub-contractors are not to report to work, and the District will not provide payment for services rendered on the days the District is closed in observance of the below listed nine holidays and breaks:

HOLIDAYS (No. of Days)

- Independence Day
- Labor Day
- Thanksgiving Break
- Christmas Day
- New Year's Day
- Martin Luther King Day
- Good Friday
- Memorial Day
- Juneteenth

BREAKS (No. of Days)

- Day before Thanksgiving (1 day)
- Holiday Break (8-10 days)
- Mid-Winter Break (1-5 days, pursuant to board approved calendar)
- Spring Break (1-5 days, pursuant to board approved calendar)

Any exceptions to mandatory vacation must be approved in advance and in writing by the Superintendent. The grant of such exceptions will be limited to contractors whose duties relate to essential core functions. Any contracted employee granted an exception will be notified by their District supervisor.

I.06 Compliance with Applicable Laws

The Supplier agrees to adhere to and comply with any and all federal and state laws, applicable to its operation, its execution, delivery and performance of this Contract and the operation of school buildings in the State of Michigan, including, but not limited to, federal laws and regulations pertaining to Equal Employment Opportunity, Fair Employment Practices, Anti-Kickback Act, Clean Water Act, Environmental Protection Agency laws and regulations, Energy Policy and Conservation Act, Elementary and Secondary Education Act, the No Child Left Behind Act, American Disabilities Act, the Asbestos Hazardous Emergency Response Act, America Recovery and Reinvestment Act, federal and state privacy laws and federal and state health regulations. The Supplier shall also adhere to all rules and regulations, including any reporting requirements thereof, from any regulatory body, including Department of Education (DOE) and Department of Labor, regarding the operations of such programs. Supplier acknowledges this Contract may be funded by funds from a federal agency or program. Supplier certifies that neither it, its principals nor its subcontractors are currently debarred, declared ineligible or voluntarily excluded from participation in transactions by any federal department or agency.

I.07 Licenses and Permits

The Supplier shall, without additional expense to the District, be responsible for obtaining any necessary licenses, permits, and approvals for complying with any federal, state, county, municipal, and other laws, codes, and regulations applicable to the performance of the work or to the products or services to be provided under this contract including, but not limited to, any laws or regulations requiring the use of licensed Suppliers to perform parts of the work.

I.08 Licensed and Qualified Personnel

The Supplier agrees to use only licensed personnel to perform work required by law to be performed by such personnel. Lack of knowledge by the Supplier will in no way be a cause for relief from responsibility. The Supplier represents that all persons performing services under this Contract have the requisite skills and experience necessary to adequately provide the services in the accordance with the standards set forth herein and shall be qualified to do so and licensed if required.

I.09 Criminal Background Screening

The Supplier agrees that any and all Supplier employees, subcontractors, independent contractors, or other agents working on or under this Contract shall be free and clear of any sexual and drug related convictions,

and from any felony convictions. The Supplier understands and agrees that each employee, subcontractor, independent contractor or other agent, who is or shall be assigned to regularly and continuously work under this Contract in any of the District's schools, as determined or defined by the Michigan Revised School Code (each a "Covered Employee or Agent"), must provide written consent to the District to enable the District to conduct the federal and state criminal history check and the federal and state criminal records check required by the Michigan Revised School Code. The Supplier further agrees that each Covered Employee or Agent must be presented to submit his or her fingerprints for the purpose of the federal and state criminal records check in accordance with District policy and as further directed by the District, at the sole cost and expense of the Supplier, have the results sent to the District, and provide all information required by the State of Michigan to include those individuals in the appropriate State of Michigan education personnel databases.

The Supplier understands and agrees that the cost of the criminal background check is the responsibility and expense of the Supplier and its Covered Employees or Agents and not the responsibility and expense of the District.

The Supplier understands and agrees that any of its Covered Employee or Agent, who does not meet or comply with the requirements of this Section may not provide services to the District under this Contract or otherwise. Failure by any Covered Employee or Agent of Supplier to comply with the provisions of this Section constitutes a breach of this Contract and the District may seek all applicable remedies.

I.10 Equal Opportunity

During the performance of this Contract, the Supplier agrees that it will, in good faith, afford equal opportunity required by applicable federal, state, or local law to all employees and applicants for employment without regard to race, color, religion, sex, handicapping conditions, or national origin. The Supplier further agrees to afford equal opportunity required by applicable federal, state, or local law to subcontractors and suppliers, which are "disadvantaged business enterprises" or "women owned enterprises" (both as defined by federal law or regulation in effect on the date of this contract). The Supplier agrees to insert the substance of this clause in all subcontracts and purchase orders.

I.11 Subcontractors and Outside Consultants

Supplier agrees that any subcontractors and outside consultants required or utilized by the Supplier in connection with the services covered by the Contract will be limited to such individuals or firms as were specifically identified and agreed to by the District in connection with the award of this Contract, and who will assist the Supplier in performing the Contract in accordance with its terms, including, but not limited to, the provisions relating to insurance, the right to audit, confidentiality, and background checks. Any substitution in such subcontractors or consultants is subject to the prior written approval of the District. The Supplier shall inform any subcontractors of the terms and conditions of this Contract and have the subcontractors' written agreement to be bound by the terms thereof.

I.12 Drug-Free Workplace

 - i. Abide by the terms of the statement; and
 - ii. Notify the employer in writing of the employee's conviction under a criminal drug statute for a violation occurring in the workplace no later than 5 days after such conviction.
 - e. Notify the Executive Director of Procurement in writing within 10 days after receiving notice under subdivision (2) (d) (ii) of this clause, from an employee or otherwise receiving actual notice of such conviction. The notice shall include the position title of the employee;
 - f. Within 30 days after receiving notice under subdivision (2)(d)(ii) of this clause of a conviction, take one of the following actions with respect to any employee who is convicted of a drug abuse violation occurring in the workplace:
 - i. Taking appropriate personnel action against such employee, up to and including termination; or

- ii. Require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency; and
- g. Make a good faith effort to maintain a drug-free workplace through implementation of subparagraphs (2) (a) through (2) (f) of this clause.
 - i. The Supplier, if an individual, agrees by award of the contract or acceptance of a purchase order, not to engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance while performing this contract.
 - ii. In addition to other remedies available to the District, the Supplier's failure to comply with the requirements herein renders the Supplier subject to suspension of contract payments, termination of the contract or default, and suspension or debarment.

I.13 Standards of Performance and Reasonable Assurances

The Supplier shall be responsible for maintaining satisfactory standards of its employees' competence, conduct, courtesy, appearance, honesty, and integrity. It shall be responsible for taking such disciplinary action with respect to any of its employees as may be necessary.

- a. The Supplier shall perform all services required by this Contract in accordance with high professional standards prevailing in the Supplier's field of work.
- b. If the District, in good faith, has reason to believe that the Supplier does not intend to, or is unable to perform or has refused to perform or continue performing all material obligations under this Contract, the District may demand in writing that the Supplier give a written assurance of intent to perform. Failure by the Supplier to provide written assurance within the number of days specified in the demand (in no event less than five (5) business days) may, at the District's option, be the basis for terminating this contract under the terms and conditions or other rights and remedies available by law or provided by this Contract.

I.14 Materials and Equipment

The Supplier is expected to supply all tools, equipment, materials and supplies necessary to complete the services specified, beyond normal and routine equipment provided at schools and administrative office facilities. Materials and supplies used will be reputable name brands and kept in excellent condition. Occupational Safety and Health Act of 1970 (OSHA) training, if applicable, will be provided to all employees required to operate equipment. The Supplier will be held responsible for damages resulting from improper use of tool, materials and equipment, unless such damages result from the negligence of the District, and shall repair or pay for such damages, at its sole cost.

I.15 Patents and Royalties

The Supplier, without exception, shall indemnify and hold harmless the District and its employees from liability of any nature or kind, including cost and expenses for or on account of any copyrighted, patented, or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the District. If the Supplier uses any design, device, or materials covered by letters,

patent, or copyright, it is mutually understood and agreed without exception that the Contract prices shall include all royalties or cost arising from the use of such design, device or materials in any way involved in the work.

I.16 Warranty of Services and Goods

1. "Acceptance," as used in this clause, means the act of an authorized representative of the District by which the District assumes for itself, or as an agent of another, ownership of existing and identified supplies, or approves specific services, as partial or complete performance of the contract. "Correction," as used in this clause, means the elimination of defect.
2. Notwithstanding inspection and acceptance by the District or any provision concerning the conclusiveness thereof, the Supplier warrants that all services performed, and goods provided under this Contract will, at the time of acceptance, be free from defects in workmanship and conform to the requirements of this contract. Contract further warrants that the goods will be fit and sufficient for the purpose intended. The Executive Director of Procurement shall give written notice of any defect or nonconformance to the Supplier within 30 days. This notice shall state either (1) that the Supplier shall correct, re-perform, or replace any defective or nonconforming services or goods, or (2) that the District does not require correction, re-performance, or replacement.
3. If the Supplier is required to correct or re-perform services or replace goods, it shall be at no cost to the District, and any services corrected or re-performed, or any goods replaced by the Supplier shall be subject to this clause to the same extent as work initially performed. If the Supplier fails or refuses to correct or re-perform services or replace goods, the Executive Director of Procurement may, by contract or otherwise, correct or replace with similar services and goods and charge to the Supplier the cost occasioned to the District thereby, or make an equitable adjustment in the Contract price.
4. Supplier will deliver and transfer all manufacturer's warranties related to the goods to the District and will execute all paperwork and instruments necessary to effectuate such delivery and transfer.

I.17 Adjustment and Cleaning

1. The Supplier shall clean exposed surfaces of all grease, oil, dirt, and other foreign matter and remove all packaging materials.
2. The Supplier shall at all times keep the work area, including storage areas, free from accumulations of waste materials. Before completing the work, the Supplier shall remove from the work area and premises any rubbish, tools, scaffolding, equipment, and materials that are not the property of the District. Upon completing the work, the Supplier shall leave the work area in clean, neat, and orderly conditions satisfactory to the District. Dumpsters will not be provided by the District.

I.18 Federal, State, and Local Taxes

The Contract price includes all applicable federal, state, and local taxes and duties. The District is exempt from Michigan State and local sales and use taxes, and any such taxes included on any invoice or voucher

received by the District shall be deducted from the amount of the invoice or voucher for purposes of payment.

I.19 Project Personnel

The Supplier shall provide adequate and competent supervision at all times during the performance of the Contract. The Supplier shall identify key personnel and telephone numbers for those who will be actually managing the Contract. Changes in staffing must be proposed in writing to the District and approved by the Executive Director of Procurement. Nothing in this section is intended by the District to be a guarantee of employment for any such identified persons.

I.20 Removal of Employees, Agents, or Subcontractors

The District may request the Supplier to immediately remove from assignment to the District any employees, agent, or subcontractor found unfit or unable to perform duties or services under this Contract, for any non-discriminatory reason as determined by the District. Failure by the District to make such request shall not excuse Supplier from complying with the terms of this Contract or applicable law. The Supplier will remedy any District requests under this Section within five (5) business days of written notice. Nothing in this section will be construed to be an extension of any deadline for performance by the Supplier under this Contract, unless agreed to by the District in writing.

I.21 Photo Identification Badge

The Supplier shall provide any individual assigned to the District, a company photo identification badge, which must be worn at all times while on the District's property. The District reserves the right to require the Supplier to pay fingerprinting fees for personnel assigned to work in sensitive areas. Upon completion of the service and prior to final payment of invoice, all employees shall turn in their photo identification badges to the Supplier.

I.22 Performance Meetings/Reports

The Supplier will meet with the District, as requested at no additional cost, and shall provide the District with such agreed upon reports or such reports as are required by law in Supplier's performance of this Contract or to assist the District in assessing the Supplier's performance. The Supplier shall be readily available to meet with representatives of the District, at no additional cost, as often as necessary to resolve any performance problems identified during the term of the Contract. Meetings will be coordinated by the District. Supplier's failure to participate in problem resolution meetings or failure to make a good faith effort to resolve problems may result in termination of this Contract.

I.23 Independent Contractor

The Supplier at all times shall be an independent contractor. The Supplier shall be responsible for the payment of all federal, state, and local taxes, including, but not limited to income taxes, which may be payable by Supplier as a result of its performance of this Contract and/or the revenues earned hereunder. The Supplier shall be fully responsible for all acts and omissions of its employees, subcontractors, and their suppliers, and shall be specifically responsible for sufficient supervision and inspection to ensure compliance in every respect with the contract requirements. There shall be no contractual relationship

between any subcontractor or supplier of the Supplier and the District by virtue of this contract. No provision of this contract shall be for the benefit of any party other than the District and the Supplier.

I.24 Insurance

1. General. The Supplier is required to maintain the insurance, meeting the specifications set forth herein for the entire duration of the Contract with the District.
2. Insurance. Prior to the execution of this Contract, the Supplier shall submit a certified copy of the policies or Certificate of Insurance satisfactory to the District at the following address: Detroit Public Schools Community District, Procurement Department, Fisher Building, 3011 West Grand Blvd., 11th Floor, Detroit, Michigan 48202.
3. Requirements. The insurance required of Supplier by this Section must meet the following specifications:
 - a. **Worker's Compensation** coverage limits in the statutory amount as required in the State of Michigan and **Employer's Liability** coverage limits in the amount of \$500,000.00 (Five Hundred Thousand Dollars) each accident, each disease, and each employee.
 - b. **Automobile Liability Insurance** (covering all owned, hired, and non-owned vehicles with personal and property protection insurance including residual liability insurance under Michigan No Fault Insurance Law) coverage limits in an amount with a combined single limit not less than \$1,000,000.00 (One Million Dollars).
 - c. **Commercial General Liability Insurance** coverage limits in the amount of \$2,000,000.00 (Two Million Dollars) per occurrence and \$4,000,000.00 (Four Million Dollars) aggregate.
 - d. **Professional Liability Insurance** coverage limits in the amount of \$2,000,000.00 (Two Million Dollars) per occurrence and \$4,000,000.00 (Four Million Dollars) aggregate.
 - e. **Umbrella / Excess Liability Insurance** coverage limits in the amount of \$5,000,000.00 (Five Million Dollars) per occurrence and \$5,000,000.00 (Five Million Dollars) aggregate.
4. Approval of Forms and Companies. The Certificate of Insurance must state the Policy Number, date of expiration and limits of liability there under. No party subject to the provisions of this Contract shall violate or knowingly permit to be violated any of the provisions of the policies of insurance described herein. All insurance should be provided by insurance companies licensed to do business in the State of Michigan with a Best's Service rating of no lower than A-.
5. Additional Insurance Endorsement. The policies required hereunder, with the exception of 3a. (Workers Compensation and Employer's Liability) shall name the District and its mortgagee, if any, as an additional insured. The minimum amounts of coverage set forth in Section 3 above are subject to periodic review and amendment by the District's Risk Management Office, in the exercise of its reasonable discretion. Any excess liability coverage utilized to satisfy any increased

requirements hereunder must be at least “follow form” in scope of coverage, placed with an authorized carrier and name the District, its officers, representatives, agents, and employees, as an additional insured.

6. Certificate Holder: DPSCD should be addressed as the Certificate Holder using the following address: Detroit Public Schools Community District, Risk Management, 3011 W Grand Blvd, 11th Floor, Detroit, MI 48202.
7. Notice of Cancellation or Material Changes. Policies and/or certificates shall specifically provide for a thirty (30) day written prior notice of cancellation, non-renewal, or any material change to be sent to the District.
8. Multiple Policies. The limits of liability as required above may be provided by a single policy of insurance or a combination of primary, excess or umbrella liability policies. But in no event shall the total limit of liability of any one occurrence or accident be less than the amount shown above.
9. Deductibles. Companies issuing the insurance policies, and the Supplier shall have no recourse against the District for payment of any premiums or assessments for any deductibles, as all such premiums and deductibles are the sole responsibility and risk of the Supplier.
10. Subcontractors. If any part of the work is subcontracted, Supplier shall require any and all subcontractors performing work under this Contract to carry worker’s compensation insurance and other types of insurance with limits of liability as Supplier shall deem appropriate and adequate for the duration of the subcontracting arrangement. In the event a subcontractor is unable to furnish adequate insurance required under the Contract, the Supplier shall endorse the subcontractor as an Additional Insured and/or become an Alternate Employer, prior to the subcontractor performing any work for or on behalf of the Supplier in performance of this Contract. The Supplier shall obtain and furnish to the District certificates of insurance evidencing subcontractors’ workers’ compensation insurance coverage. If a subcontractor’s certificate of workers’ compensation insurance expires during the period of performance, Supplier shall obtain a renewal certificate. All other insurance certificates for subcontractors shall be furnished to the District.
11. Waiver. The selected Supplier shall not hold the District liable for any personal injury incurred by its employee, agent or consultant, Supplier or subcontractor while working on this project. The Supplier agrees to hold the District harmless from any such claim by its employees, agents, consultants, Supplier, or subcontractor.

I.25 Changes

1. The Executive Director of Procurement may, at any time, by written order, make changes within the general scope of the Contract in the services to be performed. If such changes cause an increase or decrease in the Supplier’s cost of, or time required for, performance of any services under this Contract, whether or not changed by any order, the Contract shall be modified in writing to reflect such changes. Any claim of the Supplier for adjustment under this clause must be asserted in writing within 30 days from the date of receipt by the Supplier of the notification of change unless the

Executive Director of Procurement grants a further period of time before the date of final payment under the Contract.

2. No services for which an additional cost or fee will be charged by the Supplier shall be furnished without the prior written authorization of the Executive Director of Procurement.

I.26 Notices

All written notices required under the terms of the contract shall be addressed to the Supplier at the address set forth in Section A of this Contract. Notices to the District shall be addressed as follows: Attention: Executive Director of Procurement, Detroit Public Schools Community District, Procurement Department, 3011 West Grand Blvd., 11th Floor, Detroit, Michigan 48202.

I.27 Indemnification

The Supplier agrees to indemnify, hold harmless and defend the District, its Board of Education, and all administrators, employees, students, volunteers, agents, or servants of the District, against all suits, actions, legal proceedings, claims and demands, and against all damages, loss, costs, expenses (including attorney's fees), in a manner caused by, arising from, incidental to, connected with or growing out of their performance of this Contract or breach thereof, to the extent that such actions are not caused by the sole negligence of the District, its Board of Education, or its employees.

I.28 District Restrictions

In the event that, as result of new regulation, the Supplier seeks to impose any restrictions on the District which would necessitate alteration of material, quality, workmanship, or performance of the good or services offered, it shall be the responsibility of the Supplier to immediately notify the Executive Director of Procurement in writing specifying the regulation which requires alteration. The District reserves the right to accept any such alteration, including any reasonable price adjustments occasioned thereby, or to cancel the Contract at no expense to the District.

I.29 Assignment or Transfer

The Supplier shall not assign or transfer the whole or any part of this Contract or any monies due or to become due hereunder without the prior written approval of the District.

I.30 Audit, Examination and Retention of Records

The Supplier shall maintain all books, records, documents, and other instruments, related to the provision of goods and services hereunder, and shall maintain accounting records, procedures, and practices, sufficient to reflect properly all direct and indirect cost of whatever nature claimed to have been incurred for the performance of the Contract. The Supplier shall maintain these documents for five (5) years from the later of the date termination or final payment under the Contract, or such longer period as required by

law. Such records shall include any records in electronic form, including but not limited to computer hard drives, tape backups and other such storage devices.

The Supplier agrees that such Supplier records shall be open to inspection and subject audit and /or reproduction, during normal working hours, by the District, its Contracting/Auditing/or Inspecting Officer, or its other agents or authorized representatives, as well as the District's state and federal regulatory and/or funding agencies, including, but not limited to, the Michigan Department of Education and the U.S. Office of the Comptroller and the U.S. Office of the Inspection General (together the "Examiners/Auditors") to the extent necessary to adequately permit evaluation and verification of any invoices and the services provided, payments or claims submitted by the Supplier and any of its payees (including subcontractors) pursuant to this Contract, including but not limited to at least once annually. If an audit, inspection, or examination in accordance with this section discloses overcharges of any nature, the actual costs of the audit, inspection or examination shall be paid by the Supplier. The rights of the Examiners/Auditors hereunder shall also include timely (i.e., at least one business day) and reasonable access to Supplier's personnel for the purpose of interview and discussion related to such records. The Examiners/Auditors' audit or inspection or lack thereof, or the existence of this contractual provision, shall not relieve Supplier of its responsibility to comply with this Contract. Further the failure by any of Examiners/Auditors to notify Supplier of detection, or failure to require Supplier remediation of any unsatisfactory practice, does not constitute acceptance of such practice, or a waiver of the District's rights under this Contract.

I.31 Award Certificates

Supplier agrees that the information provided to the District and the Certificate of Independent Price Determination, the Suspension and Debarment Certification, the Clean Air and Water Act Certificate and the Disclosure of Lobbying Activities, is true and correct as of the date of this Contract and will remain true and correct as during the term of this Contract. Supplier agrees to provide the District with updated information as soon as the information in any certificates and disclosure becomes materially false or misleading and on the date of any renewal of this Contract.

I.32 Conflict of Interest

1. The Supplier warrants that, except as otherwise disclosed in writing, it does not have any conflict of interest. Conflict of interest is defined as a situation in which the nature of work under this Contract and the Supplier's organizational, financial, contractual, or other interests are such that:
 - a. Award of the Contract may result in an unfair competitive advantage; or
 - b. The Supplier's objectivity in performing the contract work may be impaired.
2. The Supplier agrees that, at any time after the award of this Contract and during the term thereof, it discovers an organizational conflict of interest with respect to this Contract, it shall make an immediate and full disclosure in writing to the Executive Director of Procurement, Department of Contracting and Procurement, which disclosure shall include a description of the action which the Supplier has taken or intends to take to eliminate or neutralize the conflict. The District may however terminate the Contract if it is deemed in the District's best interest to do so.
3. In the event the Supplier did not and does not disclose the conflict to the Executive Director of Procurement, the District may terminate the Contract for default.

4. The provisions of this clause shall be included in all permitted subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the Supplier. The Supplier shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.
5. The District reserves total discretion to determine the proper treatment of any conflict of interest disclosed under this provision.

I.33 Gratuities

The Supplier represents and warrants that neither it, its agent nor any other representative has offered or given gratuities (in the form of entertainment, gifts, or otherwise) to any employee, official, or member of the Board (Executive Committee) of the District with a view toward securing favorable treatment in the awarding, amending, or evaluating the performance of this Contract. For breach of any representation or warranty in this clause, the District shall have the right to annul this Contract without liability and/or have recourse to any other remedy it may have at law.

I.34 Interest of Public Officials

The Supplier represents and warrants that no employee, official, or member of the Board (Executive Committee) of the District, no member of the governing body of the locality in which the project is situated, no member of the governing body in which the District was activated, and no other public official of such locality or localities who exercises any functions or responsibilities with respect to the project shall, during his or her tenure, or for one year thereafter is or will be pecuniarily interested or benefited directly or indirectly in this Contract or the proceeds thereof.

I.35 Order of Precedence

Any inconsistency in this Contract shall be resolved by giving precedence in the following order:

1. Contract Sections, including scope of services and general contract clauses.
2. Other exhibits, and attachments to the Contract.
3. Any purchase order.
4. Any Supplier website terms and conditions.

I.36 Confidentiality, Ownership and Protection of District Property

The Supplier acknowledges that certain data, material, or other information which originated from, or was provided to Supplier under, this Contract may consist of confidential records owned by the District or confidential personally identifiable information subject to the federal Family Educational Rights and Privacy Act or other privacy laws, and that disclosure to or use by third parties would be damaging. The Supplier, therefore, agrees to hold all such material and information in strictest confidence, not to make use thereof other than for the performance of this Contract, to release it only to authorized employees and agents requiring such information or as required by law and not release or disclose it to any other party. The Supplier agrees to release such information or material only to employees and agents who have signed a written agreement or a written acknowledgement of the Supplier's confidentiality policies expressly prohibiting re-disclosure.

All facilities used to store and process the District's data will implement and maintain administrative, physical, technical, and procedural safeguards and best practices at a level sufficient to secure such data from unauthorized access, destruction, use, modification, or disclosure. Such measures will be no less protective than those used to secure Supplier's own Data of a similar type, and in no event less than reasonable in view of the type and nature of the data involved. Supplier shall report immediately, in writing, to District any data compromise involving District data, or circumstances that could have resulted in unauthorized access to or disclosure or use of the District's data, not authorized by this Contract or authorized in writing by the District. Within five (5) calendar days of the date Supplier becomes aware of any such data compromise, Supplier shall have completed implementation of corrective actions to remedy the data compromise, restore District access to the services as directed by the District, prevent further similar unauthorized use or disclosure. Supplier shall be responsible for providing disaster recovery services if Supplier experiences or suffers a disaster.

Supplier will retain the District's data for the time period specified in Section I.30 hereof. Using appropriate and reliable storage media, Supplier will regularly backup District data and, upon District's request, provide a copy of the data at no cost, each month to the District's in format compatible with District's SIS, PeopleSoft, or other software, or in different format agreed upon by the parties in writing. At the District's election, Supplier will either securely destroy or transmit to University repository any backup copies of District's data. Supplier will supply District with a certificate indicating the records disposed of the date disposed of, and the method of disposition used.

The parties acknowledge that should the performance of this Contract result in the development of any new proprietary, secret, or trade concepts, methods, techniques, processes, adoptions, discoveries, improvements and ideas, the same shall be promptly be reported to the District and shall be the sole and exclusive property of the District without further or additional consideration and without regard to the origin thereof, and the Supplier will not, other than in the performance of this Contract make use or disclose the same to any third party. The Supplier also acknowledges and agrees that all reports and documents created and/or submitted to the District under this Contract shall be the sole and exclusive property of the District without further or additional consideration and without regard to the origin thereof, and the Supplier will not, other than in the performance of this Contract make use or disclose the same to any third party. At the District's request or upon the expiration or earlier termination of this Contract, Supplier shall execute all documents, papers and shall furnish all reasonable assistance requested in order to establish in the District all rights, title, and interest in such inventions, discoveries and improvements or ideas or to enable the District to apply for state and federal patents, trademarks or other protection of the District's intellectual property, if the District so elects.

The Supplier shall use reasonable care to avoid damaging existing buildings, equipment, and vegetation on or about premises owned by, or under the control of, the District. If the Supplier's failure to use reasonable care causes damage to any of this property, the Supplier shall replace or repair the damage at no expense to the District as the Executive Director of Procurement directs. If the Supplier fails or refuses to make such repair or replacement, the Supplier shall be liable for the cost, which may be deducted from the contract price.

The Supplier acknowledges that the District is a public body and as such is subject to the disclosure requirements of the Freedom of Information Act. Therefore, this Contract and all accompanying attachments, documents and related material are subject to disclosure, upon request, unless an exemption

to disclosure applies. Nothing in this document may be construed as a promise of confidentiality exempting documents related to this Contract from disclosure pursuant to FOIA.

I.37 Publicity Releases

All publicity releases or releases of reports, papers, articles, maps, or other documents in any way concerning this contract or the work hereunder which the Supplier or any of its subcontractors desires to make for purposes of publication in whole or in part, shall be subject to written approval by the Executive Director of Procurement prior to release.

I.38 Suspension of Work

1. The Executive Director of Procurement may order the Supplier in writing to suspend all or any part of the work for such period of time as he may determine to be appropriate for the convenience of the District.
2. If the performance of all or any part of the work is, for an unreasonable period of time, suspended or delayed by an act of the Executive Director of Procurement in the administration of this Contract, or by his/her failure to act within the time specified in this contract (or, if no time is specified, within a reasonable time), an adjustment shall be made for any increase in cost of performance of this contract (excluding profit) necessarily caused by such unreasonable suspension or delay, and the contract modified in writing accordingly. However, no adjustment shall be made under this clause for any suspension or delay to the extent (1) that performance would have been suspended or delayed by any other cause, including the fault or negligence of the Supplier, or (2) for which an equitable adjustment is provided for or excluded under any other provision of this contract.
3. No claim under this clause shall be allowed (1) for any costs incurred more than 20 days before the Supplier shall have notified the Executive Director of Procurement in writing of the act or failure to act involved (but this requirement shall not apply to a claim resulting from a suspension order), and (2) unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of suspension or delay, but not later than the date of final payment. No part of any claim based on the provisions of this clause shall be allowed if not supported by adequate evidence showing that the cost would not have been incurred but for a delay within the provisions of this clause.

I.39 Termination and Non-Compliance

1. The Executive Director of Procurement may, by written notice to the Supplier, terminate this Contract in whole or in part at any time, either for the District's convenience (including non-availability of funding) or because of the failure of the Supplier to fulfill its Contract obligations, including, but not limited to, Supplier's failure to (a) provide the reasonable assurances required under this Contract; (b) services furnished by the Supplier fail to conform to any requirement of this Contract; (c) failure to submit any report or document required by this Contract; or (d) failure to meet any material performance deadline under this Contract. Upon receipt of such notice, the Supplier shall: (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Executive Director of Procurement all data, drawings,

specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Supplier in performing this contract, whether completed or in process.

2. If the termination is for the convenience of the District and if this is a Contract wherein the Supplier is to be compensated by a fixed firm amount, an equitable adjustment in the Contract price shall be made by the District, but no amount shall be allowed for anticipated profit on unperformed services. Otherwise, where the Contract is not for a fixed firm amount, in the event of termination for convenience, Supplier shall only be entitled to amounts earned by it up to including the date of the termination and no amounts shall be allowed for anticipated profit on unperformed services.
3. If the termination is for default (failure to fulfill contract obligations), the District may take over the work and complete the same by contract or otherwise. In such case, the Supplier shall be liable to the District for any additional/re-procurement cost occasioned to the District.
4. If, after notice of termination for default, it is determined that the Supplier had not so failed, the termination shall be deemed to have been affected for the convenience of the District. In such event, adjustment in the contract price shall be made as provided in paragraph (2) of this clause.
5. In addition to its right to terminate this Contract in the event of default, if a Supplier materially fails to comply with the terms and conditions of this Contract, whether stated in a statute, regulation, assurance, or notice of award, the District shall have the right to take one or more of the following actions, as appropriate in the circumstances: (1) temporarily withhold cash payments pending correction of the deficiency by the Supplier, (2) disallow all or part of the cost of the activity or action not in compliance, or (3) wholly or partly suspend the Contract.
6. The rights and remedies of the District provided in this clause are in addition to any other rights and remedies provided by law or under this Contract. Time is of the essence for all delivery, performance, submittal, and completion dates in this Contract.
7. Upon termination of this Contract for any reason, the Supplier, for a reasonable, mutually agreed period of time after the termination of this Contract (and in any event no less than sixty (60) days) agrees to provide all reasonable transition assistance requested by the District, to allow for the services to continue without interruption or adverse effect, and/or to facilitate the orderly transfer of such services to the District or its designees. Such transition assistance will be deemed by the parties to be governed by the terms and conditions of this Contract, except for those terms or conditions that do not reasonably apply to such transition assistance. There shall be no additional cost paid by the District to the Supplier for any resources utilized in performing such transition assistance. If the District terminates this Contract for cause, then the District will be entitled to offset the cost of paying the Supplier for the additional resources the Contractor utilized in providing transition assistance with any damages the District may have otherwise accrued as a result of said termination. Transition services shall include Supplier's provision of copies of the District's data, work products, and reports required under this Contract, at no cost, in format compatible with District's SIS, PeopleSoft or other software, or in different format agreed upon by the parties in writing.

I.40 Insolvency

In the event the Supplier enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the Supplier agrees to furnish, by certified mail or electronic commerce method authorized by the contract, written notification of the bankruptcy to the Executive Director of Procurement responsible for

administering the contract. This notification shall be furnished within five (5) days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed, the identity of the court in which the bankruptcy petition was filed, and a listing of District contract numbers and contracting offices for all District contracts against which final payment has not been made. The District shall have the right to immediately terminate this Contract in the event of Supplier's insolvency or bankruptcy.

I.41 Dispute and Dispute Resolution

In the event of any disputes, including disputes concerning a question of fact or law ("disputes"), claims, issues, questions, or disagreement arising from or relating to this contract or the breach thereof, the parties hereto shall use their best efforts to settle the dispute, claim, question, or disagreement in a timely manner. Initially, the Category Manager, Assistant Director and supervisor/Executive Director shall discuss the issue with the Supplier. If resolution is not reached, then Supplier shall meet with the Executive Director of Procurement, their successor, or designee, to resolve the issue. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interest(s), attempt to reach a just and equitable solution satisfactory to both parties.

Any disputes, claims, issues, questions, or disagreement arising under or related to this Contract which is not disposed of by agreement shall be decided by the Executive Director of Procurement, who shall reduce her/his decision to writing and mail or otherwise furnish a copy thereof to the Supplier, which decision shall be binding and conclusive on the parties unless the Supplier gives written notice of its objection to the decision within ten (10) business days of receipt of the decision.

If the Supplier gives written notice of its objection to the decision of the Executive Director of Procurement as set forth above, then the parties shall try to settle the dispute, claim or questions through alternative dispute resolution within 60 days of the written objection to the Executive Director of Procurement's decision. The District will be allowed to choose the forum for the alternative dispute resolution. The parties shall agree on any mediator(s) or facilitator(s). The parties shall equally share all of the cost of alternative dispute resolution. If, after such alternative dispute resolution, the parties still are unable to resolve the disputes, issues claims, questions, or disagreement arising from or relating to this contract or the breach thereof, then upon notice by either party to the other, all disputes, issues claims, questions, or disagreement arising from or relating to this contract or the breach thereof shall be finally settled by submission to the American Arbitration Association in accordance with the provisions of its Arbitration Rules, and judgment on the award rendered by the arbitrator(s) shall be binding and may be entered in any court having jurisdiction thereof.

Nothing contained in this Section shall be construed to prevent a party from exercising its right to terminate the Contract under Section I.39 hereof.

I.42 Notice of Labor Disputes

1. If the Supplier has knowledge that any actual or potential labor dispute is delaying or threatens to delay the timely performance of this Contract, the Supplier immediately shall give notice, including all relevant information, to the Executive Director of Procurement.

2. The Supplier agrees to insert the substance of this clause, including this paragraph, in any subcontract under which a labor dispute may delay the timely performance of this contract; except that each subcontract shall provide that in the event its timely performance is delayed or threatened by delay by any actual or potential labor dispute, the subcontractor shall immediately notify the next higher tier subcontractor or the Supplier, as the case may be, of all relevant information concerning the dispute.

I.43 Anti-Kickback Procedures

1. Definitions
 - a. "Kickback," as used in this clause, means any money, fee, commission, credit, gift, gratuity, thing of value, or compensation of any kind which is provided, directly or indirectly, to any prime Supplier, prime Supplier employee, subcontractor, or subcontractor employee for the purpose of improperly obtaining or rewarding favorable treatment in connection with a prime contract or in connection with a subcontract relating to a prime contract.
 - b. "Person," as used in this clause, means a corporation, partnership, business association of any kind, trust, joint-stock company, or individual.
 - c. "Prime contract," as used in this clause, means a contract or contractual action entered into by the District for the purpose of obtaining supplies, materials, equipment, or services of any kind.
 - d. "Prime Supplier" as used in this clause, means a person who has entered into a prime contract with the District.
 - e. "Prime Supplier employee," as used in this clause, means any officer, partner, employee, or agent of a prime Supplier.
 - f. "Subcontract," as used in this clause, means a contract or contractual action entered into by a prime Supplier or subcontractor for the purpose of obtaining supplies, materials, equipment, or services of any kind under a prime contract.
 - g. "Subcontractor," as used in this clause,
 - h. means any person, other than the prime Supplier, who offers to furnish or furnishes any supplies, materials, equipment, or services of any kind under a prime contract or a subcontract entered into in connection with such prime contract, and
 - i. includes any person who offers to furnish or furnishes general supplies to the prime Supplier or a higher tier subcontractor.
 - j. "Subcontractor employee," as used in this clause, means any officer, partner, employee, or agent of a subcontractor.
2. The Anti-Kickback Act of 1986 (the Act), prohibits any person from:
 - a. Providing or attempting to provide or offering to provide any kickback;
 - b. Soliciting, accepting, or attempting to accept any kickback; or

- c. Including, directly or indirectly, the amount of any kickback in the contract price charged by a prime Supplier to the District or in the contract price charged by a subcontractor to a prime Supplier or higher tier subcontractor.

3. Compliance

- a. The Supplier shall have in place and follow reasonable procedures designed to prevent and detect possible violations described in paragraph (2) of this clause in its own operations and direct business relationships.
- b. When the Supplier has reasonable grounds to believe that a violation described in paragraph (2) of this clause may have occurred, the Supplier shall promptly report in writing the possible violation. Such reports shall be made to the Executive Director of Procurement.
- c. The Supplier shall cooperate fully with any investigation of a possible violation described in paragraph (2) of this clause.
- d. The Executive Director of Procurement may
 - i. offset the amount of the kickback against any monies owed by the District under the prime contract and/or
 - ii. direct that the Prime Supplier withhold from sums owed a subcontractor under the prime contract the amount of the kickback.

The Executive Director of Procurement may order that monies withheld under subdivision (3) (d) (ii) of this clause be paid over to the District unless the District has already offset those monies under subdivision (3) (d) (i) of this clause. In either case, the Prime Supplier shall notify the Executive Director of Procurement when the monies are withheld.

- e. The Supplier agrees to incorporate the substance of this clause, including subparagraph (3) (e) but excepting subparagraph (3) (a), in all subcontracts under this contract which exceed \$100,000.

I.44 Pending Legal Dispute with District

It is the policy of the District that one factor, among others, that is to be considered when awarding a contract or approving a purchase order is the existence of a pending legal dispute - whether in court or an alternative dispute forum - with any Supplier or supplier which has submitted a bid or proposal. Before including a consideration of the legal dispute as a factor, Executive Director of Procurement shall seek the advice of the Office of the General Counsel regarding the legal dispute and shall obtain the concurrence of the District's Chief Executive Officer or his or her designee.

I.45 Governing Law

This Contract shall be governed by the laws of the State of Michigan without giving effect to the principles of conflicts of laws.

I.46 Supplier Authorization

All persons executing and delivering this Contract on behalf of Supplier have been duly authorized by Supplier and all corporate or other action has been taken which is required for Supplier to execute, deliver, and perform this Contract

I.47 Bid, Performance Bond

The Supplier shall provide a bid bond and a performance bond, in form and amount approved by the District, with a surety listed on the U.S. Department of Treasury's Listing of Approved Sureties (Department Circular 570), which can be viewed online at <https://fiscal.treasury.gov/surety-bonds/circular-570.html>.

I.48 Liquidated Damages (Reserved)

I.49 Miscellaneous

This Contract can be extended, modified, or amended only by a written agreement signed by the Executive Director of Procurement and the Supplier, except that the Contract shall be deemed to be modified to include new requirements imposed by law. If necessary or requested, the parties shall cooperate with each other to execute a written amendment which reflects such new requirements.

If any provision of this Contract is held invalid or unenforceable by any court of competent jurisdiction, the other provisions of this Agreement will remain in full force and effect. Any provision of this Contract held invalid or unenforceable only in part or degree will remain in full force and effect to the extent not held invalid or unenforceable.

In the event of any breach by Supplier or in the event of a disputed amount, District shall have the right to set-off any amounts owed by it to Supplier for any purpose, against any amounts due to District by Supplier under this Contract or otherwise or withhold payment due hereunder, pending resolution of the dispute or the breach.

The provisions of this Contract are for the parties hereto only and are not for the benefit of any third party, and accordingly, no third party shall have the right to enforce the provisions of this Contract.

The parties acknowledge that the parties and their counsel have reviewed (or their counsel has had the opportunity to review) and revised this Contract and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Contract or any exhibits or amendments hereto.

This Contract, including the exhibits, contains the entire agreement between the parties pertaining to the subject matter hereof and fully supersedes all prior written or oral agreements and understandings between the parties pertaining to such subject matter.

EQUAL EMPLOYMENT OPPORTUNITY DOCUMENTS

MISSION

The procurement policy of Detroit Public Schools Community District is to acquire goods, services, materials, and programs for its students based upon a matrix award system of quality, cost, cycle time and human resources.

EQUAL EMPLOYMENT OPPORTUNITY

The General Superintendent of the Detroit Public Schools Community District is committed to ensure that as a condition of doing business with DPSCD, all contractors and subcontractors must certify that their firm's employment practices comply with the District's Equal Employment Opportunity Department. All Contractors must submit with their Proposal:

- 1) A copy of their company's equal employment policy, or non-discrimination policy prohibiting discrimination based on race, sex, religion, color, national origin, age, or handicap that is unrelated to the individual's ability to perform the duties of a particular job position.
- 2) Complete, sign, notarize and return the following forms:
 - i) Affidavit for Vendor/Contractor – Form 7506 (must be notarized)
 - ii) Conflict of Interest Disclosure Statement – Form 7507 (must be notarized)
 - iii) Subcontractors and/or Proposed Subcontracting Areas
 - iv) Detroit-based Business, Minority Business Enterprise, and Women Business Enterprise
- 3) Identify business opportunities with Detroit-based businesses by: name of firm, contact person, address, telephone, award amount and services to be rendered.

RIGHT TO REJECT

The Contracting Officer expressly reserves the right to reject, in its sole discretion; any Contractor for any contract that the Contracting Officer determines is not an offer that is capable of providing quality service to the District. The Contracting Officer further expressly reserves the right to reject all proposals in response to the Request for Proposal.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, PROPOSED DEBARMENT, AND OTHER RESPONSIBILITY MATTERS

- (a) The Contractor certifies, to the best of its knowledge and belief, that --
- (1) The Contractor and/or any of its Principals --* **(Circle response)**
- (i) Are * are not * presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any public (Federal, State, or Local) agency;
- (ii) Have * have not *, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public contract or subcontract; violation of Federal, State or local antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and
- (iii) Are * are not * presently indicted for, or otherwise criminally or civilly charged by a public entity with, commission of any of the offenses enumerated in paragraph (a)(1)(ii) of this provision.
- (2) The Contractor has* has not*, within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal, State, or local agency.
- (3) "Principals," for the purposes of this certification, means officers; directors; owners; partners; and, persons having primary management or supervisory responsibilities within a business entity.
- (a) This Certification Concerns a Matter Within the Jurisdiction of the District and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution.
- (b) The Contractor shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Contractor learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (c) A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Contractor's responsibility. Failure of the Contractor to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Contractor non-responsible.
- (d) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(e) The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available to the District, the Contracting Officer may terminate the contract resulting from this solicitation for default.

CERTIFICATE OF INDEPENDENT PRICE DETERMINATION

Both the District and Contractor (offeror) shall execute this Certificate of Independent Price Determination.

Detroit Public Schools Community District

Contractor

(A) By submission of this offer, the offeror certifies and in the case of a joint offer, each party thereto certifies as to its own organization, that in connection with this procurement:

- (1) The prices in this offer have been arrived at independently, without consultation, communication, or agreement, for the purpose of restricting completion, as to any matter relating to such prices with any other offeror or with any competitor;
- (2) Unless otherwise required by law, the prices which have been quoted in this offer have not been knowingly disclosed by the offeror and will not knowingly be disclosed by the offeror prior to opening in the case of an advertised procurement or prior to award in the case of a negotiated procurement, directly or indirectly to any other offeror or to any competitor; and
- (3) No attempt has been made or will be made by the offeror to induce any person or firm to submit or not to submit, an offer for the purpose of restricting competition.

(B) Each person signing this offer on behalf of the Contractor certifies that:

- (1) He/she is the person in the Supplier's organization responsible within the organization for the decision as to the prices being offered herein and has not participated, and will not participate, in any action contrary to (A)(1) through (A)(3) above; or
- (2) He/she is not the person in other Supplier's organization responsible within the organization for the decision as to the prices being offered herein, but that he or she has been authorized in writing to act as agent for the persons responsible for such decision in certifying that such persons have not participated and will not participate, in any action contrary to (A)(1) through (A)(3) above, and as their agent does hereby so certify; and he or she has not participated, and will not participate, in any action contrary to (A)(1) through (A)(3) above.

To the best of my knowledge, the Contractor, its affiliates, subsidiaries, officers, directors, and employees are not currently under investigation by any governmental agency and have not in the last three years been convicted or found liable for any act prohibited by State or Federal law in any jurisdiction, involving conspiracy or collusion with respect to proposing on any public contract, except as follows:

NOTICE TO APPLICANTS – CERTIFICATION/DISCLOSURE REQUIREMENTS RELATED TO LOBBYING

Section 319 of Public Law 101-121 (31 U.S.C.), signed into law on October 23, 1989, and imposes new prohibitions and requirements for disclosure and certification related to lobbying on recipients of Federal contracts, grants, cooperative agreements, and loans. Certain provisions of the law also apply to Federal commitments for loan guarantees and insurance; however, it provides exemptions for Indian tribes and tribal organizations.

Effective December 23, 1989, current and prospective recipients (and their subtier contractors and/or subgrantees) will be prohibited from using Federal funds, other than profits from a Federal contract, for lobbying Congress and any Federal agency in connection with the award of a particular contract, grant, cooperative agreement, or loan. In addition, for each award action in excess of \$100,000 (or \$150,000 for loans) on or after December 23, 1989, the law requires recipients and their subtier contractors and/or subgrantees to: (1) certify that they have neither used nor will use any appropriated funds for payment to lobbyists; (2) disclose the name, address, payment details, and purpose of any agreements with lobbyists whom recipients or their subtier contractors or subgrantees will pay with profits or **nonappropriated** funds on or after December 23, 1989; and (3) file quarterly updates about the use of lobbyists if material changes occur in their use. The law establishes civil penalties for noncompliance.

If you are a current recipient of funding or have an application, proposal, or proposal pending as of December 23, 1989, the law will have the following immediate consequences for you:

- You are prohibited from using appropriated funds (other than profits from Federal contracts) on or after December 23, 1989, for lobbying Congress and any Federal agency in connection with a particular contract, grant, cooperative agreement or loan;
- You are required to execute the attached certification at the time of submission of an application or before any action in excess of \$100,000 is awarded; and
- You will be required to complete the lobbying disclosure form if the disclosure requirements apply to you.

Regulations implementing Section 319 of Public Law 101-121 have been published an Interim Final Rule by the Office of Management and Budget as Part III of the February 26, 1990, **Federal Register** (pages 6736-6746).

CERTIFICATION REGARDING LOBBYING - CONTRACTS, GRANTS, LOANS AND COOPERATIVE AGREEMENTS

The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of any Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions;

3) The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The call-in information is as follows:

Call in #: +1 313-462-2305

Conference ID: 759 606 587#

1. Firm Offer Period

Offers submitted shall remain firm for a period of 150 calendar days from the submission deadline date.

2. Detailed Proposal

A detailed proposal must be submitted along with those forms identified in Section K for the proposal to be complete. The documents should be prepared in single-spaced type on 8 ½ x 11" paper, using one side of the paper only. The original proposal must contain a signature of an authorized representative of the Offeror. The authorized representative must initial all corrections made on the proposal sheets. The company name must appear on each sheet where a correction is

made. The proposal must include all documents, materials and information required herein. Pages should be numbered at the bottom to show page numbers (e.g., Page 1 of xx, etc.). The total number of pages should be no more than 25, **excluding** resumes, descriptive literature, and required forms.

3. **Schedule**

- a) The unit of measure specified in the Schedule is descriptive and only used as a basis to determine award of Contract.
- b) The pricing must include any and all warehousing, freight, delivery, pickup, financing, carrying charges, and all other such charges to accommodate the supply/service and delivery requirements.
- c) Offeror shall insert a unit price, and extended amount for each line item specified on the schedule, if applicable. Additionally, Suppliers shall calculate and insert the total offer price, where appropriate on the schedule.
- d) Suppliers are cautioned that the item description in the Schedule is not intended as complete descriptions of the required supplies or services to be purchased under this solicitation. Each Offeror must consult the Specifications of the solicitation document for complete descriptions of the required supplies or services.

4. **Options**

The District will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The District may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the District to exercise the option(s).

A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful Offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the District may accept an offer (or incorporate the accepted option price), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

5. **Awards**

DPSCD reserves the **right** to make a single or multiple awards. In addition, DPSCD reserves the right to make award(s) based upon location, the geographic area to be serviced by the contract and company capacity.

6. **Contact after Supplier's Submittal**

All Suppliers who submitted a proposal for a project are prohibited from having any communication concerning the RFP with any DPSCD Board Member, the General Superintendent, and the Evaluation Committee Member after the submittal of their proposal and prior to the

Contract being awarded with the exception of communications with the Procurement Department. A proposal from any Offeror will be disqualified when the Offeror violates this condition of the RFP.

7. Acceptance and Rejection of Proposals

Proposals submitted after the deadline are, at the sole discretion of the District, subject to rejection.

- (1) Acceptance: All proposals properly completed and submitted on time shall be considered by DPSCD.
- (2) Rejection: A proposal may be rejected if it does not conform to the rules, or the requirements contained in this RFP. Examples for rejection include, but are not limited to the following:
 - (a) The proposal is time-stamped at the Procurement Department after the deadline specified in the RFP.
 - (b) Failure to execute and return the required forms.
 - (c) Failure to respond to all subsections within the RFP.
 - (d) All proposals that are materially unbalanced, (i.e., that contain unreasonably high unit prices for some items and/or unreasonably low unit prices for other items).
 - (e) Proof of collusion among Suppliers, in which case all suspected proposals involved in the alleged collusive action shall be rejected, and any participants to such collusion shall be barred from future procurement opportunities until reinstated.
 - (f) The proposal shows non-compliance with applicable laws or contains any unauthorized additions, deviations, or deletions, is a conditional proposal, is an incomplete proposal, or contains irregularities of any kind which make the proposal incomplete, indefinite, or ambiguous as to its meaning.
 - (g) The Offeror adds provisions reserving the right to accept or reject an award or to enter into a contract pursuant to award or adds provisions contrary to those in the RFP.

L.3: RFP Proposal Format and Organization

Suppliers shall compile and organize the responses according to the tabs listed below. Within the tabbed section, clearly organize and mark your responses according to the topics outlined below. It is very important for you to follow the format outlined below to assist us in the evaluation process. **All proposals must include the following items. - (4) Describe what approach the team would take in providing services to DPSCD. Indicate type and frequency of meetings and other forms of communications.

4. Tab D - Subcontracting Plan: The Offeror shall submit a subcontracting plan with the proposal. The plan shall specifically identify names of potential subcontractor(s), or area to be sub contracted, field of expertise, number of years in the field, proposed dollars amounts of subcontracting effort by category and references. This plan will be incorporated into the winning contractor's contract and monitored throughout the life of the contract for compliance.

5. Tab E- Signed Contract: The Offeror shall complete Section A, Contract Cover Page & Signatures (block 6 and 8) and Section B in its entirety to include all options and return a completed copy of the contract (Section A-J). Unless the District conducts discussions and /or request a Best and Final Offer (BAFO), this shall become the official contractual document for award, once signed by the Contracting Officer. If a BAFO is requested, the Contractor shall complete a revised Section A, Contract Cover Page & Signatures (blocks 6 and 8), sign and return the contractual documents. Any changes that result from the BAFO shall be clearly identified and justified in a cover letter containing the revised Contractual document.

6. Tab F - Cost/Price Proposal: Please provide the Price Proposal in a separate, Excel formatted Document.

End of Section L

**SECTION M
EVALUATION PROCESS**

M.1 Evaluation for Options

Except when it is determined to be in the District's best interests, the District shall evaluate offers for award purposes by evaluating the qualifications of firms submitting a response to this solicitation.

M.2 Process for Award

DPSCD will award a contract to the responsible Contractor whose offer conforms to the solicitation and whose offer best meets our needs and are most likely to assist DPSCD in achieving

its objectives. The combined relative merit of the evaluation criteria listed below will be used in the selection of the Contractor. Furthermore, the cost or price listed in Sections A and B must be agreed to by virtue of the Contractor's submission of a response and execution of a Contract. DPSCD reserves the right to seek clarification of information submitted in response to this RFP. DPSCD also reserves the right to make award without further discussion. DPSCD reserves the right to make a single or multiple award(s) as necessary based upon the factors such as location, contractor's geographic coverage area and contractor capacity.

M.3 Evaluation Panel

- a. Based on the evaluation criteria outlined in M.4, all technical proposals shall be evaluated and scored by the Source Selection Evaluation Committee designated by the District. Written or oral discussions may be conducted with Suppliers to resolve uncertainties relating to their proposals and to arrive at a complete agreement on all requirements. The Source Selection Evaluation Committee, upon completion of evaluating the technical proposals, will recommend to the Contracting Officer that negotiations be entered into with the selected lowest responsible bidder.
- b. The District reserves the right to investigate the qualifications of all Suppliers under consideration and to confirm any part of the information furnished by an Offeror, or to require other evidence of managerial, financial, or technical capabilities which are considered necessary for the successful performance of the work.

M.4 Evaluation Criteria

Detroit Public Schools Community District's Board of Education reserves the right to accept or reject any and all Bids, either in whole or in part, to waive any informalities or irregularities therein, or to award the contract to other than the Bidder(s) submitting the best financial Bid (low Bidder), in its sole and absolute discretion.

It is the policy of the District that one factor, among others, that are to be considered when awarding a contract or approving a purchase order is the existence of a pending legal dispute - whether in court or an alternative dispute forum - with any contractor or vendor which has submitted a bid or proposal. Before including a consideration of the legal dispute as a factor, a Contracting Officer shall seek the advice of the Office of General Counsel regarding the legal dispute and shall obtain the concurrence of the General Superintendent or his or her designee.

INTERVIEWS

If candidates progress through the process, they should be prepared to present the core elements of this response, as well as answer questions from District staff, in an interview, within two weeks of the RFP closing, if requested.

M.5 Eligibility Requirements

1. Have a demonstrated record of providing services that is of high quality.
2. The Offeror must have no conflict of interest with regard to any other work performed by the firm for DPSCD.
3. The Offeror must adhere to the instructions in this RFP on preparing and submitting the response.

M.6 Selection Process

DPSCD also reserves the right to make award without further discussion. In addition, DPSCD reserves the right to seek clarification of information submitted in response to this RFP and/or to request additional information during the evaluation process.

General Information Regarding Fringe Benefits

Certain fringe benefits **may** be credited toward the payment of the Prevailing Wage Rate:

- If a fringe benefit is paid directly to a construction mechanic
- If a fringe benefit contribution or payment is made on behalf of a construction mechanic
- If a fringe benefit, which may be provided to a construction mechanic, is pursuant to a written contract or policy
- If a fringe benefit is paid into a fund, for a construction mechanic

When a fringe benefit is not paid by an hourly rate, the hourly credit will be calculated based on the annual value of the fringe benefit divided by 2080 hours per year (52 weeks @ 40 hours per week).

The following is an example of the types of fringe benefits allowed and how an hourly credit is calculated:

Vacation	40 hours X \$14.00 per hour = \$560/2080 =	\$0.27
Dental insurance	\$31.07 monthly premium X 12 mos. = \$372.84 /2080 =	\$.18
Vision insurance	\$5.38 monthly premium X 12 mos. = \$64.56/2080 =	\$.03
Health insurance	\$230.00 monthly premium X 12 mos. = \$2,760.00/2080 =	\$1.33
Life insurance	\$27.04 monthly premium X 12 mos. = \$324.48/2080 =	\$.16
Tuition	\$500.00 annual cost/2080 =	\$.24
Bonus	4 quarterly bonus/year x \$250 = \$1000.00/2080 =	\$.48
401k Employer Contribution	\$2000.00 total annual contribution/2080 =	\$.96
Total Hourly Credit		\$3.65

Other examples of the types of fringe benefits allowed:

- Sick pay
- Holiday pay
- Accidental Death & Dismemberment insurance premiums

The following are examples of items that **will not** be credited toward the payment of the Prevailing Wage Rate

- Legally required payments, such as:
 - Unemployment Insurance payments
 - Workers' Compensation Insurance payments
 - FICA (Social Security contributions, Medicare contributions)
- Reimbursable expenses, such as:
 - Clothing allowance or reimbursement
 - Uniform allowance or reimbursement
 - Gas allowance or reimbursement
 - Travel time or payment
 - Meals or lodging allowance or reimbursement
 - Per diem allowance or payment
- Other payments to or on behalf of a construction mechanic that are not wages or fringe benefits, such as:
 - Industry advancement funds
 - Financial or material loans

OVERTIME PROVISIONS for MICHIGAN PREVAILING WAGE RATE COMMERCIAL SCHEDULE

- Overtime is represented as a nine character code. Each character represents a certain period of time after the first 8 hours Monday thru Friday.

	Monday thru Friday	Saturday	Sunday & Holidays	Four 10s
First 8 Hours		4		
9th Hour	1	5	8	9
10th Hour	2	6		
Over 10 hours	3	7		

Overtime for Monday thru Friday after 8 hours:

the 1st character is for time worked in the 9th hour (8.1 - 9 hours)
the 2nd character is for time worked in the 10th hour (9.1 - 10 hours)
the 3rd character is for time worked beyond the 10th hour (10.1 and beyond)

Overtime on Saturday:

the 4th character is for time worked in the first 8 hours on Saturday (0 - 8 hours)
the 5th character is for time worked in the 9th hour on Saturday (8.1 - 9 hours)
the 6th character is for time worked in the 10th hour (9.1 - 10 hours)
the 7th character is for time worked beyond the 10th hour (10.01 and beyond)

Overtime on Sundays & Holidays

The 8th character is for time worked on Sunday or on a holiday

Four Ten Hour Days

The 9th character indicates if an optional 4-day 10-hour per day workweek can be worked **between Monday and Friday without paying overtime after 8 hours worked, unless otherwise noted in the rate schedule. To utilize a 4 ten workweek, notice is required from the employer to employee prior to the start of work on the project.**

- Overtime Indicators Used in the Overtime Provision:

H - means TIME AND ONE-HALF due
X - means TIME AND ONE-HALF due after 40 HOURS worked
D - means DOUBLE PAY due
Y - means YES an optional 4-day 10-hour per day workweek can be worked without paying overtime after 8 hours worked
N - means NO an optional 4-day 10-hour per day workweek *cannot* be worked without paying overtime after 8 hours worked

- EXAMPLES:

HHHHHHHDN - This example shows that the 1½ rate must be used for time worked after 8 hours Monday thru Friday (characters 1 - 3); for all hours worked on Saturday, 1½ rate is due (characters 4 - 7). Work done on Sundays or holidays must be paid double time (character 8). The N (character 9) indicates that 4 ten-hour days is not an acceptable workweek at regular pay.

XXXHHHDY - This example shows that the 1½ rate must be used for time worked after 40 hours are worked Monday thru Friday (characters 1-3); for hours worked on Saturday, 1½ rate is due (characters 4 – 7). Work done on Sundays or holidays must be paid double time (character 8). The Y (character 9) indicates that 4 ten-hour days is an acceptable alternative workweek.

Informational Sheet: Prevailing Wages on State Funded Projects

REQUIREMENTS

Effective February 13, 2024

The purpose of establishing prevailing rates is to provide minimum rates of pay that must be paid to workers on construction projects that are financed or financially supported by the state. Prevailing rates compiled from the rates contained in collectively bargained agreements which cover the locations of the state projects. While the prevailing wage rates are compiled through surveys of collectively bargained agreements, a collective bargaining agreement is not required for contractors to be on or be awarded state projects. The prevailing rate schedule provides an hourly rate which includes wage and fringe benefit totals for designated construction mechanic classifications. The overtime rates also include wage and fringe benefit totals. Please pay special attention to the overtime and premium pay requirements. The prevailing wage is satisfied when wages plus fringe benefits are equal to or greater than the required rate.

State of Michigan responsibilities:

- The department establishes the prevailing rate for each classification of construction mechanic requested by the contracting agents prior to contracts being let out for bid on a state project.

DTMB responsibilities

- If a contract is not awarded or construction does not start within 90 days of the date of the issuance of rates, a re-determination of rates must be requested by the contracting agents.
- Rates for classifications needed but not provided on the Prevailing Rate Schedule, ***must*** be obtained ***prior*** to contracts being let out for bid on a state project.

Contractor responsibilities:

- Every contractor and subcontractor shall keep posted on the construction site, in a conspicuous place, a copy of all prevailing rates prescribed in a contract.
- Every contractor and subcontractor shall keep an accurate record showing the name and occupation of and the actual wages and benefits paid to each construction mechanic. This record shall be available for reasonable inspection by DTMB or the department.
- Each contractor or subcontractor is liable for the payment of the prevailing rate to its employees.
- The prime contractor is responsible for advising all subcontractors of the requirement to pay the prevailing rate prior to commencement of work.
- A construction mechanic ***shall only*** be paid the apprentice rate if registered with the United States Department of Labor, Bureau of Apprenticeship and Training and the rate is included in the contract.

Enforcement:

A person who has information of an alleged prevailing wage violation on a prevailing wage project may file a complaint with the State of Michigan. The department will investigate and attempt to resolve the complaint informally. During the course of an investigation, if the requested records and posting certification are not made available in compliance with contractual requirements, the Contracting Agent may consider the Contractor to be in material breach of the contract and may terminate the contract for cause at the sole discretion. There are also civil penalties for failure to be in compliance with Act 10. View the entire text of Act 10 of 2023 at michigan.gov/wagehour.
